who have a place in society, in a work that encourages people who have had difficulty finding their way to pursue their goals.

In the 1990s, a faddish pseudoscience, repressed memory theory, destroyed millions of American families by creating false memories of childhood sexual abuse. At the time, Mark Pendergrast published his widely acclaimed book *Victims of Memory*, exposing the false nature of the science and counseling techniques that were alienating teenagers and grown children from their families. In *Memory Warp*, Pendergrast

Read Book 1501120069 The Misfits Manifesto

revisits that subject, updating his research and describing where it stands now, in 2017. All notable scientific researchers in the field of memory now agree that repressed-memory theory is misguided and harmful--that the "memories" produced are false, and that those accused--mostly parents and other family members and caregivers--have suffered greatly from false allegations of horrible crimes against their own children. But does that mean that the scourge is now behind us? Unfortunately, no. The disproven theories of repressed memory continue to resurface throughout American cultural life and,

Read Book 1501120069 The Misfits Manifesto

although usually more subtly, in the work of therapists. In this new book, Pendergrast provides a lively social history of our recent past, documenting how this incredible juggernaut of pseudoscience, which caused so much harm, came to be. But more importantly, the book also shows how these misguided theories continue to fester. And how, if we fail to learn from the lurid history of this movement, we may face another outbreak. Many authoritative books have have appeared on this subject over the years, including those of memory researchers who have confirmed Pendergrast's conclusions. But Memory Warp is

Read Book 1501120069 The Misfits Manifesto

the first to describe the threat that continues to exist today.

National Bestseller A masterful literary talent explores the treacherous, often violent borders between war and sex, love and art. With the flash of a camera, one girl's life is shattered, and a host of others altered forever. . . In a war-torn village in Eastern Europe, an American photographer captures a heart-stopping image: a young girl flying toward the lens, fleeing a fiery explosion that has engulfed her home and family. The image wins acclaim and prizes,

Read Book 1501120069 The Misfits Manifesto

becoming an icon for millions—and a subject of obsession for one writer, the photographer's best friend, who has suffered a devastating tragedy of her own. As the writer plunges into a suicidal depression, her filmmaker husband enlists several friends, including a fearless bisexual poet and an ingenuous performance artist, to save her by rescuing the unknown girl and bringing her to the United States. And yet, as their plot unfolds, everything we know about the story comes into question: What does the writer really want? Who is controlling the action? And what will happen when these two

worlds—east and west, real and virtual—collide? A fierce, provocative, and deeply affecting novel of both ideas and action that blends the tight construction of Julian Barnes's *The Sense of an Ending* with the emotional power of Anthony Marra's *A Constellation of Vital Phenomena*, Lidia Yuknavitch's *The Small Backs of Children* is a major step forward from one of our most avidly watched writers.

LONGLISTED FOR THE STORY PRIZE Named one of the Best Books of the Year by *Bustle* and *Lit Hub* A fiercely empathetic group portrait of

Read Book 1501120069 The Misfits Manifesto

the marginalized and outcast in moments of crisis, from one of the most galvanizing voices in American fiction. Lidia Yuknavitch is a writer of rare insight into the jagged boundaries between pain and survival. Her characters are scarred by the unchecked hungers of others and themselves, yet determined to find salvation within lives that can feel beyond their control. In novels such as *The Small Backs of Children* and *The Book of Joan*, she has captivated readers with stories of visceral power. Now, in *Verge*, she offers a shard-sharp mosaic portrait of human resilience on the margins. The landscape of

Read Book 1501120069 The Misfits Manifesto

Verge is peopled with characters who are innocent and imperfect, wise and endangered: an eight-year-old black-market medical courier, a restless lover haunted by memories of his mother, a teenage girl gazing out her attic window at a nearby prison, all of them wounded but grasping toward transcendence. Clear-eyed yet inspiring, Verge challenges us with moments of uncomfortable truth, even as it urges us to place our faith not in the flimsy guardrails of society but in the memories held-and told-by our own individual bodies.

Read Book 1501120069 The Misfits Manifesto

Dora: A Headcase is a contemporary coming-of-age story based on Freud's famous case study—retold and revamped through Dora's point of view, with shotgun blasts of dark humor and sexual play. Ida needs a shrink . . . or so her philandering father thinks, and he sends her to a Seattle psychiatrist. Immediately wise to the head games of her new shrink, whom she nicknames Siggy, Ida begins a coming-of-age journey. At the beginning of her therapy, Ida, whose alter ego is Dora, and her small posse of pals engage in "art attacks." Ida's in love with her friend Obsidian, but when she gets close to

Read Book 1501120069 The Misfits Manifesto

intimacy, she faints or loses her voice. Ida and her friends hatch a plan to secretly film Siggý and make an experimental art film. But something goes wrong at a crucial moment—at a nearby hospital Ida finds her father suffering a heart attack. While Ida loses her voice, a rough cut of her experimental film has gone viral, and unethical media agents are hunting her down. A chase ensues in which everyone wants what Ida has.

“A funny, seasoned take on dashed illusions.”—O Magazine “I love everything Meredith Maran writes. She is insightful,

Read Book 1501120069 The Misfits Manifesto

funny, and human, and the things she writes about matter to me deeply. Her memoir, *The New Old Me*, is a book I don't just want to read—I need to read it. So does everyone else who's getting older and wants to live fully, with immediacy and enjoyment, which is to say, everyone.”—Anne Lamott, author of *Hallelujah Anyway* For readers of Anne Lamott, Abigail Thomas, and Ayelet Waldman comes one woman's lusty, kickass, post-divorce memoir of starting over at 60 in youth-obsessed, beauty-obsessed Hollywood. After the death of her best friend, the loss of her life's savings, and the collapse of her once-happy

Read Book 1501120069 The Misfits Manifesto

marriage, Meredith Maran leaves her San Francisco freelance writer's life for a 9-to-5 job in Los Angeles. Determined to rebuild not only her savings but also herself while relishing the joys of life in La-La land, Maran writes "a poignant story, a funny story, a moving story, and above all an American story of what it means to be a woman of a certain age in our time" (Christina Baker Kline, number-one New York Times-bestselling author of *Orphan Train*). Praise for *The New Old Me*: "High time we had a book that celebrates becoming an elder! Meredith Maran writes of the difficulties of

Read Book 1501120069 The Misfits Manifesto

loss and change and aging, but makes it clear that getting on can be more interesting, more fun, and a lot more exciting than youth.”—Abigail Thomas, author of the New York Times bestseller *What Comes Next and How to Like It* “By turns poignant and funny, the book not only shows how one feisty woman coped with a ‘Plan B life’ she didn't want or expect with a little help from her friends. It also celebrates how she transformed uncertainty into a glorious opportunity for continued late-life personal growth. A spirited and moving memoir about how ‘it's never too late to try something new.’”—Kirkus

Read Book 1501120069 The Misfits Manifesto

In the spring of 2007, a brilliant computer programmer named Hans Reiser stands accused of murdering his estranged wife, Nina. Despite a mountain of circumstantial evidence against him, he proclaims his innocence. The case takes a twist when Nina's former lover, and Hans's former best friend, Sean Sturgeon, confesses to eight unrelated murders that no one has ever heard of. At the time of Sturgeon's confession, Stephen Elliot is paralyzed by writer's block, in the thrall of Adderall dependency, and despondent over the state of his romantic life. But he is

Read Book 1501120069 The Misfits Manifesto

fascinated by Sturgeon, whose path he has often crossed in San Francisco's underground S&M scene. What kind of person, he wonders, confesses to a murder he likely did not commit? One answer is, perhaps, a man like Elliott's own father. So begins a riveting journey through a neon landscape of false confessions, self-medication, and torturous sex. Set against the backdrop of a nation at war, in the declining years of the Silicon Valley tech boom and the dawn of Paris Hilton's celebrity, *The Adderall Diaries* is at once a gripping account of a murder trial and a scorching investigation of the self.

Read Book 1501120069 The Misfits Manifesto

Tough, tender, and unflinchingly honest, it is the breakout book by one of the most daring writers of his generation.

This is not your mother's memoir. In *The Chronology of Water*, Lidia Yuknavitch, a lifelong swimmer and Olympic hopeful escapes her raging father and alcoholic and suicidal mother when she accepts a swimming scholarship which drug and alcohol addiction eventually cause her to lose. What follows is promiscuous sex with both men and women, some of them famous, and some of it S&M, and Lidia discovers the power of her sexuality to help

Read Book 1501120069 The Misfits Manifesto

her forget her pain. The forgetting doesn't last, though, and it is her hard-earned career as a writer and a teacher, and the love of her husband and son, that ultimately create the life she needs to survive.

Short fictions that examine meaning through a cinematic lens. With an intelligence that scalds every pretense and surface, Lidia Yuknavitch's camera pans across subjects as varied as Keanu Reeves and Siberian prison laborers. She zooms in on drug addiction, crime, sex of all flavors, trauma, torture, rock and roll, and art, all the while

Read Book 1501120069 The Misfits Manifesto

revealing untried angles and alien shapes. She traces the inner lives of characters teetering on edges—death, birth, love, understanding—but never flinching at the spectacle of their violent descent. This collection represents a verbal cinematographer at her best as she captivates the reader with a prose style that is mesmerizing and fluid, deep and dangerous.
