25 experiential activities for teaching managers and employees how to effectively deal with workplace change. Activities are organized into 4 change stages: preparing for change, articulating choices, visioning the future, and Implementing change programs.

25 Activities for Developing Team Leaders In this book, acclaimed team development and leadership expert Fran Rees, has written the long-awaited companion to the bestselling book 25 Activities for Teams. 25 Activities for Developing Team Leaders is organized around her L.E.A.D. model of facilitative leadership: Lead with a clear purpose, Empower to participate, Aim for consensus, and Direct the process. Created as a hands-on resource for trainers, facilitators, and team leaders, 25 Activities for Developing Team Leaders includes a variety of exercises that will help foster team-leadership skills including simulations, discussions, problems to solve, role plays, and real-work collaboration. The book explores a wide variety of topics and includes development activities that cover how to: Define the role of the team leader Apply the L.E.A.D. model to team leadership and development

Coach team members and the team Design purposeful, participative team meetings Create effective team communication Address team challenges Resolve conflicts and disputes Conduct team self-evaluation Each activity in the book can be used as a stand-alone learning exercise or in any combination to create a formal, team-leader development curriculum. The activities can also be used by team leaders during informal team meetings. 25 Activities for Developing Team Leaders is designed for today's modern working environment. The activities are flexible enough to fit the needs of a particular group and designed to be delivered in timeframes sensitive to busy work schedules. "This book is a critical for any reader who wants to develop themselves or others as strong team leaders and high-performing teams. Team leaders, human resource and training employees will find this resource easy to execute, invaluable in building a structured program, and one that gets results. External consultants will find the text to be helpful in structuring their project plans for clients." -Leigh Wilkinson, HRD consultant, State of Maine Office of Training and Development

For training that is as fun as it is effective, this is a must-have resource for anyone involved in training. Detailing the "who," "what,"

" when," "why" and "how" of learning, *Telling Ain't Training* provides everything you need to energise and engage leaders regardless of age experience. Fast-paced, fun and interactive, *Telling Ain't Training* incorporates principles of adult learning to separate learning myth from learning fact. Understand how people learn, what makes training successful, why training fails and how to achieve amazing training results.

Black & White Version. If you are a people manager, trainer, coach or just someone who has to engage people this book is for you. This book of 101 activities, energizers, icebreakers and stories has been designed with over 30 years joint training experience by two corporate trainers who know how hard it can be to keep teams and groups engaged. Whether you are looking to spice up your training courses, energise your team meetings, raise team morale or simply have some fun with your teams this book will help you achieve that. Each activity has a consistent format and is broken down into categories to make it quick and easy for you to find the one that will suit your needs. Activities range from full-on team building and communication activities down to quick fun energisers you can do on the spot. With each activity carefully chosen and laid out to ensure you have maximum opportunity of success, we have also ensured you won't break the bank by needing
