The Dictionary of Theatre Anthropology is a totally unique, lavishly illustrated sourcebook on Western and non-Western theatre. Most research in the west is concerned with naturalism and psychological realism in acting, this book focuses on the craft of the actor. It examines action in any heightened context – from combat to religion and ritual. The result of

given to physical performance (music, dance, theatre) despite pioneering work by anthropologists such as Victor Turner in recent decades. Anthropological approaches to performance are different from performance studies and the field of performance.

Anthropology of the Performing Arts

A Dictionary of Theatre Anthropology subtly juxtaposes visual demonstrations of the performer's craft, from a wealth of Oriental and Occidental sources, to uncover knowledge of action in the heightened context of performance - from combat to religion and ritual.
