Four siblings experience the drama, intrigue, and upheaval of the '60s summer when everything changed in Elin Hilderbrand's #1 New York Times bestselling historical novel. Welcome to the most tumultuous summer of the twentieth century. It's 1969, and for the Levin family, the times they are a-changing. Every year the children have looked forward to spending the summer at their grandmother's historic home in downtown Nantucket. But like so much else in America, nothing is the same: Blair, the oldest sister, is marooned in Boston, pregnant with twins and unable to travel. Middle sister Kirby, caught up in the thrilling vortex of civil rights protests and determined to be independent, takes a summer job on Martha's Vineyard. Only-son Tiger is an infantry soldier, recently deployed to Vietnam. And thirteen-year-old Jessie suddenly feels like an only child, marooned in the house with her out-of-touch grandmother and her worried mother, while each of them hides a troubling secret. As the summer heats up, Ted Kennedy sinks a car in Chappaquiddick, man flies to the moon, and Jessie and her family experience their own dramatic upheavals along with the rest of the country. In her first historical novel, rich with the details of an era that shaped both a nation and an island thirty miles out to sea, Elin Hilderbrand once again earns her title as queen of the summer novel.

For the fortieth anniversary of 1969, Rob Kirkpatrick takes a look back at a year when America witnessed many of the biggest landmark achievements, cataclysmic episodes, and generation-defining events in recent history. 1969 was the year that saw Apollo 11 land on the moon, the Cinderella stories of Joe Namath's Jets and the "Miracle Mets," the Harvard student strike and armed standoff at Cornell, the People's Park riots, the first artificial heart transplant and first computer network connection, the Manson family murders and cryptic Zodiac Killer letters, the Woodstock music festival, Easy Rider, Kurt Vonnegut's Slaughterhouse-Five, the Battle of Hamburger Hill, the birth of punk music, the invasion of Led Zeppelin, the occupation of Alcatraz, death at Altamont Speedway, and much more. It was a year that pushed boundaries on stage (Oh! Calcutta!), screen (Midnight Cowboy), and the printed page (Everything You Always Wanted to Know about Sex), witnessed the genesis of the gay rights movement at Stonewall, and started the era of the "no fault" divorce. Richard Nixon became president, the New Left squared off against the Silent Majority, William Ayers co-founded the Weatherman Organization, and the nationwide Moratorium provided a unifying force in the peace movement. Compelling, timely, and quite simply a blast to read, 1969 chronicles the year through all its ups and downs, in culture and society, sports, music, film, politics, and technology. This is a book for those who survived 1969, or for those who simply want to feel as alive as those who lived through this time of amazing upheaval.

A fortieth anniversary edition of a classic account of the famous baseball season draws on interviews with such forefront contributors as Tom Seaver, Nolan Ryan, and Jerry Koosman, in a fan's tribute that is complemented by a new introduction and additional photographs. Original.

In October 1969, the New York Mets stunned the sports world by defeating the heavily favored Baltimore Orioles in a memorable World Series. Their five-game triumph capped off a true Cinderella season, when the woebegone National League franchise rose from laughingstock to popular champions. The histories of both the Mets and Orioles are traced, along with their paths to the climactic '69 Series. A batter-by-batter recap of all five games gives a box seat view to a storied moment in baseball history.

"The story of the 1969 Miracle Mets, unlikely world champions against the backdrop of the space race and Vietnam, on the 50th anniversary of their Cinderella season In 1962, the New York Mets spent their first year in existence racking up the worst record in baseball history. Things scarcely got any better for the ensuing six years--they were baseball's laughingstock, but somehow lovable in their ineptitude, building a fiercely loyal fan base. And then came 1969, a year that brought the lunar landing, Woodstock, nonstop antiwar protests, and the most tumultuous and fractious New York City mayoral race in memory--along with the most improbable season in the annals of Major League Baseball. It concluded on an invigorating autumn afternoon in Queens, when a Minnesota farm boy named Jerry Koosman beat the Baltimore Orioles for the second time in five games, making the Mets champions of the baseball world. It wasn't merely an upset but an unprecedented, uplifting achievement for the ages. From the ashes of those early scorched-earth seasons, Gil Hodges, a beloved former Brooklyn Dodger, put together a 25-man whole that was vastly more formidable than the sum of its parts. Beyond the top-notch pitching staff headlined by Tom Seaver, Koosman, and Gary Gentry, and the hitting prowess of Cleon Jones, the Mets were mostly comprised of untested kids and lightly regarded veterans. Everywhere you looked on this team, there was a man with a compelling backstory, from Koosman, who never played high school baseball and grew up throwing in a hayloft in subzero temperatures with his brother Orville, to third baseman Ed Charles, an African-American poet with a deep racial conscience whose arrival in the big leagues was delayed almost a decade because of the color of his skin. In the tradition of *The Boys of Winter*, his classic bestseller about the 1980 U.S. men's Olympic hockey team, Wayne Coffey tells the story of the '69 Mets as it has never been told before--against the backdrop of the space race, Stonewall, and Vietnam, set in an ever-changing New York City. With

dogged reporting and a storyteller's eye for detail, Coffey finds the beating heart of a baseball family. Published to commemorate the 50th anniversary of the Mets' remarkable transformation from worst to best, *They Said It Couldn't Be Done* is a spellbinding, feel-good narrative about an improbable triumph by the ultimate underdog"--
