Advances in behavioral finance (Book, 1993) [WorldCat.org]  
Advances in Behavioral Finance, Volume II. Book Description: This book offers a definitive and wide-ranging overview of developments in behavioral finance over the past ten years. In 1993, the first volume provided the standard reference to this new approach in finance--an approach that, as editor Richard Thaler put it, "entertains the possibility that some of the agents in the economy behave less than fully rationally some of the time."
