BJ Hoff offers another thrilling historical saga that will capture the hearts of readers everywhere. At the entrance to the city, an Irish governess climbs into a carriage and sets out to confront the man who destroyed her sister's life—a blind musician who hears music no one else can hear ... spirit of service: "The work and prayers of centuries have brought us to this day. What shall be our legacy? What will our children say? Let me know in my heart, when my days are through--America, America, I gave my best to you." It was a sentiment that spoke not only to our new president's character, but to the sense of pride in duty and purpose for the sake of a country we hold dear. And it contained a message of quiet patriotism that so many of us hope to share with the next generation. In this new picture book, using the full text of the song President Biden quoted, we do just that. With words that speak to the soul of our nation, and art from twelve different illustrators, all depicting what America means to them, we take readers on a journey through this beautiful country--its history, its struggles, and its dignity--and throughout, we count our own blessings and think about how we can do more to share them with others, and give our best to our country and everyone in it.

Teaching for Dissent looks at the implications of new forms of dissent for educational practice. The reappearance of dissent in political meetings and street protests opens new possibilities for improved democratic life and citizen participation. This book argues that this possibility will not be fulfilled if schools do not cultivate the skills necessary for our citizens to engage in political dissent. The authors look at how practices in schools, such as the testing regime and the 'hidden curriculum', suppress students' ability to voice ideas that stand in opposition to the status quo. Teaching for Dissent calls for a realignment of the curriculum and the practices of schooling with a guiding vision of democratic participation.

As a young girl leads a cast of characters on a musical journey, they learn that they have the power to make changes--big or small--in the world, in their communities, and in most importantly, in themselves. With lyrical text and rhythmic illustrations that build to a dazzling crescendo by #1 New York Times bestselling illustrator Loren Long, Change Sings is a triumphant call to action for everyone to use their abilities to make a difference.
