Doreen Virtue has taught her Angel Therapy Practitioner course since 1997, helping thousands to learn the skills of spiritual healing and psychic readings in concert with the angels and archangels. Whether you're a professional healer, or just want to polish your natural spiritual gifts, this handbook is a vital reference tool that you can refer to again and again.

When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel, the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto's work with water crystals, Angel Words gives visual proof of the power and impact of speaking in a loving way. You'll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words!
