Throughout the Study Guide, as in Biblical Eldership, elders are referred to as

Read Online Biblical Eldership Study Guide

“shepherd elders” or “pastor elders.” This is to counter the considerable amount of unscriptural thinking about elders that exists today. When most Christians hear of church elders, they think of lay church officials, committeemen, executives, policymakers, or advisors to the pastor. They do not expect church elders to

on the appointment of elders and one on the relationship with elders and their congregation. Biblical Eldership is a great book that covers an underserved area of theology and should serve as an example for other Christian authors who want to cover church topics. It is Biblical, thorough, and well written.
