## White Male Stories

Contrary to popular belief, black women like white men. My first love was, unsurprisingly, a 20-something white boy who loved Mario Kart, thought Olive Garden was spicy and loved watching fart porn (remember, love is unconditional). You could say we got into it multiple

Slave Stories

There were some black men who were doms, but based on their profiles, they were masters of primarily white women. If I'd reached out to them, I think I would've been ignored or rejected. I didn't feel like I'd be safe or respected if I tried to attend one of the gatherings □ not as someone new to the life and definitely not as a black
