They call him BoneMan, a serial killer who's abducted six young women. He's the perfect father looking for the perfect daughter, and when his victims fail to meet his lofty expectations, he kills them by breaking their bones and leaving them to die. Intelligence officer Ryan Evans, on the other hand, has lost all hope of ever being the perfect father. His daughter and wife have written him out of their lives. Everything changes when BoneMan takes Ryan's estranged daughter, Bethany, as his seventh victim. Ryan goes after BoneMan on his own. But the FBI sees it differently. New evidence points to the suspicion that Ryan is BoneMan. Now the hunter is the hunted, and in the end, only one father will stand.

A freak storm has spawned three tornadoes that are bearing down on the town of Summerville. Yet under the cover of the storm looms a much more ominous threat: A vindictive killer known as Red who's left a string of victims in his wake and is now bent on exacting his final revenge on the unsuspecting town. But there is an enigma surrounding Red that the FBI is unwilling to admit-closely guarded secrets of something gone terribly wrong beneath the skin of Summerville. Secrets that will destroy far more than one small town. Wendy Davidson is caught in the middle. She's a recovering cult survivor who takes refuge in Summerville on her way to visit her estranged mother. And with her, four strangers, any of whom could be the next victim . . . or the killer.

Some say roll with the punches. Drift with the tide. Nothing can stop the inevitability of change. There was a time when 300 Spartans disagreed with such mindless thinking and stood in the gap. Now it's time for 3,000 to stand in the gap. Sinner is the story of Marsuvees Black, a force of raw evil who speaks with wicked persuasion that is far more destructive than swords or guns. Beware all who stand in his way. It's also the story of Billy Rediger and Darcy Lange, two unsuspecting survivors of a research project gone bad, who discover that they are perhaps the two most powerful souls in the land. Listen to them or pay a terrible price. And it's the story of Johnny Drake, the one who comes out of the desert and leads the 3,000. Follow him and die. Sinner tells the story of a free land where people who worship as they please and say what they believe are suddenly silenced in the name of tolerance. Most will roll with the punches. Most will drift with the tide. But not all. Not the 3,000.

Two abandoned souls are on the hunt for one powerful man. Soon, their paths will cross and lead to one twisted fate. Danny Hansen is a Bosnian immigrant who came to America with hopes of escaping haunted memories of a tragic war that took his other's life. Now he's a priest incensed by the powerful among us who manipulate the law for their own gain, uncaring of the hattered lives they leave behind. It is his duty to show them the error of their ways, even if he must put them in the grave. Renee Gilmore is the frail and helpless victim of one such powerful man. Having escaped his clutches, she now lives only to satisfy justice by destroying him, regardless of whom she must become in that pursuit. But when Danny and Renee's paths become inexorably entangled things go very, very badly and neither of them may make it out of this hunt alive.!--EndFragment--

FBI Special agent Brad Raines is facing his toughest case yet. A Denver serial killer has killed four beautiful young women, leaving a bridal veil at each crime scene, and he's picking up his pace. Unable to crack the case, Raines appeals for help from a most unusual source: residents of the Center for Wellness and Intelligence, a private psychiatric institution for mentally ill individuals whose are extraordinarily gifted. It's there that he meets Paradise, a young woman who witnessed her father murder her family and barely escaped his hand. Diagnosed with schizophrenia, Paradise may also have an extrasensory gift: the ability to experience the final moments of a person's life when she touches the dead body. In a desperate attempt to find the killer, Raines enlists Paradise's help. In an effort to win her trust, he

befriends this strange young woman and begins to see in her qualities that most 'sane people' sorely lack. Gradually, he starts to question whether sanity resides outside the hospital walls...or inside. As the Bride Collector picks up the pace-and volume-of his gruesome crucifixions, the case becomes even more personal to Raines when his friend and colleague, a beautiful young forensic psychologist, becomes the Bride Collector's next target. The FBI believes that the killer plans to murder seven women. Can Paradise help before it's too late?

Nine years after Rom Sebastian was thrust into the most unlikely of circumstances as hero and bearer of an unimaginable secret, the alliance of his followers is in disarray. An epic battle with The Order has left them scattered and deeply divided both in strategy and resolve in their struggle to become truly alive and free. Only 49 truly alive followers remain loyal to Rom. This meager band must fight for survival as The Order is focused on their total annihilation. Misunderstood and despised, their journey will be one of desperation against a new, more intensely evil Order. As the hand of this evil is raised to strike and destroy them they must rely on their faith in the abiding power of love to overcome all and lead them to sovereignty. SOVEREIGN wonderfully continues the new testament allegory that was introduced in FORBIDDEN and continued in MORTAL.

New York Times bestselling author Ted Dekker teams up with Erin Healy for a gripping psychological thriller. Let me tell you all I know for sure. My name. Shauna. I woke up in a hospital bed missing six months of my memory. In the room was my loving boyfriend—how could I have forgotten him?—my uncle and my abusive stepmother. Everyone blames me for the tragic car accident that left me near death and my dear brother brain damaged. But what they say can't be true—can it? I believe the medicine is doing strange things to my memory. I'm unsure who I can trust and who I should run from. And I'm starting to remember things I've never known. Things not about me. I think I'm going crazy. And even worse, I think they want to kill me. But who? And for what? Is dying for the truth really better than living with a lie?

One man holds the key to locating the Ark of the Covenant ù but heÆs hidden deep in the desert and no one has seen him since he was a boy. In this explosive sequel to Blessed Child, Jewish soldier-turned-archaeologist Rebecca Soloman leads a team deep into the Ethiopian desert to find the one man who may know the final resting place of the Ark of the Covenant. Such a discovery would bring hope back to her people. Her search brings excitement and danger ù including unexpected love and a discovery far more powerful than even the holy artifact. Meanwhile, Islamic fundamentalists dispatch Ismael, their most accomplished assassin, to pursue Rebecca and the man sheÆs searching for. These men fear that the ArkÆs discovery will compel Israel to rebuild SolomonÆs temple ù on the very site of their holy mosque in Jerusalem. But the man they seek is no ordinary man. His name is Caleb, and he too is on a mission ù to find again the love he embraced as a child and to share that love with the world.

Stephen Friedman is making a good living in good times. He's just an ordinary guy. Or so he thinks. But one day an extraordinary piece of information tells him differently. It's a clue from the grave of a Holocaust survivor. A clue that makes him heir to an incredible fortune . . . a clue that only he and one other man can possibly understand. That man is Roth Braun, a serial killer who has been waiting for Stephen for thirty years. Roth was stopped once before. This time nothing will get in his way. Known worldwide for page-turning, adrenaline-laced thrillers, Dekker raises the stakes in this story of passion, revenge, and an all-consuming obsession for the ultimate treasure.
