**WARNING: THIS BOOK MAY CAUSE HYSTERICAL LAUGHTER.** In the hallowed literary tradition of The Darwin Awards and Headlines comes this mind-boggling collection of the most outrageous warning labels ever slapped onto perfectly good products. Before you try to dry your hair with a blowtorch or iron a shirt while you're wearing it, read this hilarious collection of crazy caveats. You'll be surprised how far frightened manufacturers (and their lawyers) must go these days to protect themselves from frivolous lawsuits!

The wildly popular YouTube star behind Clean My Space presents the breakthrough solution to cleaning better with less effort Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution: • Identify the most important areas (MIAs) in your home that need attention • Select the proper products, tools, and techniques (PTT) for the job • Implement these new cleaning routines so that they stick Clean My Space takes the chore out of cleaning with Melissa ' s incredible tips and cleaning hacks (the power of pretreating!) her lightning fast 5-10 minute " express clean " routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa ' s simple groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

**PUBLISHERS WEEKLY:** "An unusually lighthearted apocalyptic tale." Sam Terra is having a bad week. He lost Molly, the woman he secretly loves, when she vanished before his eyes at the exact same time that ten percent of the inhabitants of Earth disappeared. Naturally upset, Sam follows clues about the global vanishing with questionable help from his friends including a misanthropic co-worker and a childhood pal. When Molly reappears in the body of a man during a night of monster-laden devastation, Sam finally learns the truth. Not just about her, but about the planet Earth and the entire cosmos surrounding it. What we consider mundane reality, others consider a game . . . and not a very good one. The whole thing is about to be shut down.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

This open access book collects the major discussions in divorce research in Europe. It starts with an understanding of divorce trends. Why was divorce increasing so rapidly throughout the US and Europe and do we see signs of a turn? Do cohabitation breakups influence divorce trends or is there a renewed stability on the partner market? In terms of divorce risks, the book contains new insights on Eastern European countries. These post socialist countries have evolved dramatically since the fall of the Wall and at present they show the

highest divorce figures in Europe. Also the influence of gender, and more specifically women ' s education as a risk in divorce is examined cross nationally. The book also provides explanations for the negative gradient in female education effects on divorce. It devotes three separate parts to new insights in the post-divorce effects of the life course event by among others looking at consequences for adults and children but also taking the larger family network into account. As such the book is of interest to demographers, sociologists, psychologists, family therapists, NGOs, and politicians. " This wide-ranging volume details important trends in divorce in Europe that hold implications for understanding family dissolution causes and consequences throughout the world. Highly recommended for researchers and students everywhere. "

With over 200 indicators available to traders, it is impossible to pick the ones that will make money over and over again...until now. A two-time, best-selling author and writer of a weekly commentary at [www.incometrader.com](http://www.incometrader.com), Mark Larson is an expert trader willing to share the secrets of his favorite technical tools.
