At the start of the new year, 32-year-old Bridget decides it's time to take control of her life-and start keeping a diary. Now, the most provocative, erotic and hysterical book on her bedside table is ...

Chronicles a year in the life of Bridget Jones, a single, thirtysomething woman on a perpetual quest for self-improvement, as she struggles to cope with relationships, weight control, and the other baffling complexities of modern life.

With an introduction by Caitlin Moran. A dazzling urban satire of modern relationships?An ironic, tragic insight into the demise of the nuclear family?Or the confused ramblings of a pissed thirty-something?As Bridget documents her struggles through the social minefield of her thirties and tries to weigh up the eternal question (Daniel Cleaver or Mark Darcy?), she turns for support to four indispensable friends: Shazzer, Jude, Tom and a bottle of chardonnay.Bridget Jones's Diary was first published in 1996 and applauded by critics from Salman Rushdie to Jilly Cooper. A number-one bestseller, Helen Fielding's book has sold over fifteen million copies worldwide and has been turned into an Academy Award-nominated film starring Renee Zellweger, Colin Firth and Hugh Grant. Bridget Jones's Diary is followed by Bridget Jones: The Edge of Reason and Bridget Jones: Mad About the Boy.

When Helen Fielding first wrote Bridget Jones's Diary, charting the life of a 30-something singleton in London in the 1990s, she introduced readers to one of the most beloved characters in modern literature. The book was published in 40 countries, sold more than 15 million copies worldwide, and spawned a best-selling sequel, Bridget Jones: The Edge of Reason. The two books were turned into major blockbuster films starring Renée Zellweger, Hugh Grant and Colin Firth. With her hotly anticipated third instalment, Bridget Jones: Mad About the Boy, Fielding introduces us to a whole new enticing phase of Bridget's life set in contemporary London, including the challenges of maintaining sex appeal as the years roll by and the nightmare of drunken texting, the skinny jean, the disastrous email cc, total lack of twitter followers, and TVs that need 90 buttons and three remotes to simply turn on. An uproariously funny novel of modern life, Bridget Jones: Mad About the Boy is a triumphant return of our favourite Everywoman.

Bridget Jones, beloved Singleton and global phenomenon, is back with a bump in Bridget Jones's Baby: The Diaries. 8:45 P.M. Realize there have been so many times in my life when have fantasized about going to a scan with Mark or Daniel: just not both at the same time. Before motherhood, before marriage, Bridget with biological clock ticking very, very loudly, finds herself unexpectedly pregnant at the eleventh hour: a joyful pregnancy which is dominated, however, by a crucial but terribly awkward question " who is the father? Mark Darcy: honourable, decent, notable human rights lawyer? Or Daniel Cleaver: charming, witty, notable fuckwit? 9:45 PM It's like they're two halves of the perfect man, who'll spend the rest of their lives each wanting to outdo the other one. And now it's all enacting itself in my stomach. In this gloriously funny, touching story of baby-deadline panic, maternal bliss, and social, professional, technological, culinary and childbirth chaos, Bridget Jones " global phenomenon and the world's favorite Singleton " is back with a bump.

The sequel to Bridget Jones' Diary continues to follow single woman Bridget on her quest for love, sex, and truth from the cappuccino bars of London to the beaches of Thailand. Reprint.

Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,5, Ernst Moritz Arndt University of Greifswald (Institut für Anglistik/Amerikanistik), course: The gentleman and the angel in the house, language: English, abstract: Bridget Jones is a chain-smoker and a hard-drinker. She is messy, slightly overweight and, even worse, she is still single. Clumsy Bridget spends her time downing drinks with her crazy single friends and strolling around the office with her little skirt. Helen Fielding's modern novel opens the diary of a British single woman who is desperately looking for "Mr. Right" in a world of "emotional fuckwittages." Quite the contrary is Elizabeth Bennet, the young heroine in Jane Austen's most famous novel Pride and Prejudice. She is one of 5 daughters, polite, sophisticated, selfless and, due to her education, she would never compromise herself in public like Bridget always does. One can hardly believe that there can be found any parallels between Bridget Jones's Diary and the probably most romantic British novel, Pride and Prejudice. In fact, there are about 200 years between both works but they are indeed comparable...

**** The funniest book of the year **** The new Bridget Jones novel****8.45 P.M.Realise there have been so many times in my life when have fantasised about going to a scan with Mark or Daniel- just not both at the same time.Before motherhood, before marriage, Bridget, with biological clock ticking very, very loudly, finds herself unexpectedly pregnant at the eleventh hour- a joyful pregnancy which is dominated, however, by a crucial but terribly awkward question - who is the father? Mark Darcy- honourable, decent, notable human rights lawyer? Or Daniel Cleaver- charming, witty, notable fuckwit?9.45 P.M.It's like they're two halves of the perfect man, who'll spend the rest of their lives each wanting to outdo the other one. This is an excellent guide to Helen Fielding's genre-defining novel. It features a biography of the author, a full-length analysis of the novel, and a great deal more. If you're studying this novel, reading it for your book club, or if you simply want to know more about it, you'll find this guide informative and helpful. This is part of a new series of guides to contemporary novels. The aim of the series is to give readers accessible and informative introductions to some of the most popular, most acclaimed and most influential novels of recent years - from 'The Remains of the Day' to 'White Teeth'. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question.

'The best, the original, the seminal' Mail on Sunday Bridget Jones's Diary turns 25 this year. Winner of the 1997 British Book of the Year, and named by the Guardian as one of the ten books which best defines the 20th Century, the book has gone on to become a multi-million copy selling international phenomenon, spawning three blockbuster movies, a whole new literary genre, a lexicon of 'smug marrieds', 'singletons', 'emotional f***wittage' and 'mummy pants', and the familiar cry of 'I am Bridget Jones'. This special bumper anniversary compendium also features an introduction and commentary from Helen Fielding, and over 100 pages of rare material taken from 25 years of her writing, including: * Extracts from Helen's early journalism * A selection of the original Independent newspaper columns. * Bridget Jones interviews Colin Firth * Later columns on #MeToo, Brexit, and Bridget's lockdown life * A selection of hilarious restaurant reviews featuring the real life inspirations for Jude, Shazzer, Auntie Una, Mum and Daniel Cleaver
