Business & Human Rights Resource Centre

All businesses in the UK – large or small – have a responsibility to respect human rights. The UN Guiding Principles on Business and Human Rights (UNGPs) call upon businesses to make a public commitment to respect human rights, carry out human rights due diligence, and provide a remedy when things go wrong. Human rights due diligence is the process through which a company understands when, where and how it could have impacts on human rights, and prioritises these impacts for action.
