Cartagena de Indias is the undisputed queen of the Caribbean coast, a historic city of superbly preserved beauty lying within an impressive 13km of centuries-old colonial stone walls. Cartagena's Old Town is a Unesco World Heritage Site – a maze of cobbled alleys, balconies covered in bougainvillea, and massive churches that cast their shadows across leafy plazas.

Cartagena travel | Colombia, South America - Lonely Planet

Welcome to Cartagena. Cartagena's fabulous natural harbour has been used for thousands of years. Stand on the battlements of the castle that overlook this city and you can literally see layer upon layer of history spread below you: the wharf where Phoenician traders docked their ships; the street where Roman legionaries marched; the plaza that once housed a mosque where Islamic Spain prayed to Allah; the hills over which came the armies of the Christian Reconquista; the factories of the ...

View forecast 25.7 ° C. Cartagena is the undisputed queen of Colombia's Caribbean coast and easily the most attractive city in the region – this given its apparent shortage of attractions in the classical sense of the word. Instead, what draws travelers in is the city itself: a microcosm of the Caribbean, walled-in by defensive ramparts built to ward off unwelcome visitors, the likes of Sir Francis Drake, who held Cartagena de Indias captive for months during his 16th century raids on the ...
