1.1 The Sociological Perspective Most Americans probably agree that we enjoy a great amount of freedom. And yet perhaps we have less freedom than we think, because many of our choices are influenced by our society —social interaction between people who share a common culture and social organization, who live in a defined geographic area.

Perspective.pdf ...*

Summary. Mills begins *The Sociological Imagination* by describing the situation of man in the 1950s. He characterizes this situation as one of both confinement and powerlessness. On the one hand, men are confined by the routine of their lives: you go to your job and are a worker, and then you come home and are a family-man.
