Some people believe that déjà vu is a spiritual experience—that it's a sign of psychic powers or evidence for reincarnation.

They say we feel like we've been in a situation before because we have—in a past life. Christians, of course, reject that theory. There is

~~What Does the Bible
Say About Deja Vu?~~

Deja Vu is packed
with fast paced action
from the start. Allie
wakes up in the
hospital with no
memory of who she is
or how she got there.

The story provided by the friend at her side, Beth Hart, is that she was in a car accident. But even from the beginning, Allie questions much of what she is told, as things just dont feel right.
