Iris Au and Jack Parkinson of the University of Toronto, Scarborough have “Canadianized” the Macroconomics section of Krugman/Wells, Economics, Third Edition, maintaining the structure and spirit of the U.S. version but adapting it to reflect Canadian macroeconomic policies and to appeal more directly to Canadian instructors and students. In almost every instance, U.S. data sets, cases, research, and policy discussions have been supplanted by Canadian material.

This 13th edition has been revised and updated to offer economics students an introduction to economics and its core principles. New case studies and themed boxed examples, in-depth explanations and an expanded online resource centre will help students progress with their studies.

The Study Guide allows students to expand their learning experience outside the classroom. Prepared by S. Brock Blomberg of Claremont McKenna College and Jim Haischer of Polk Community College, the study guide includes: * Learning Objectives for each chapter * Chapter Overviews for each chapter * Hints and Tips * Chapter Reviews * Short-Answer Questions * Exercises * Extension Exercises * Additional Multiple-Choice Questions * Answers to questions and exercises * Explanations to some Multiple-Choice Questions Students can purchase the Study Guide through the online catalog, or from MyPearsonStore.
