Positional play, what does that mean for a team and their structure, and not in the very least for the opponent. Teams that always has a high possession percentage, uses positions in possession to prepare the team for a defensive transition, meaning their defensive play is an integrated part of the all phases in build up, while also in positioning themselves when without the ball.

Without prior coaching knowledge about when to teach players the different positions, I took a chance. During one practice, I started to teach them one by one the different positions and what each one did on the field. I placed cones at each position and took the players on a walk-through from goalkeeper to center forward.
