Concise medical dictionary. (Book, 2015) [WorldCat.org]

6th (1976) and 7th (1982) Editions were still called The Concise Oxford Dictionary of Current English, but the subtitle now read based on the Oxford English dictionary and its supplements first edited by H.W. Fowler and F.G. Fowler. It was (thoroughly) edited by J.B. Sykes, catching up with the developments in the parent dictionary. In the 7th Edition, symbols were introduced to mark uses ...

Written by a team of medical experts, this market-leading dictionary offers clear and authoritative definitions for all aspects of medical science. It features up-to-date coverage on public health medicine, medical research and general practice, and cardiology, radiology, and dentistry among other specialist areas. This new edition has been revised and updated to reflect advancements in medical research and practice, while over 250 new entries have been added, including American Medical Association, burden of treatment, gaming disorder, MERS, person-centred care, and Zika virus.
