Creative Family Therapy Techniques: Play, Art, and ...

The use of creative activities in family therapy such as games, art, and storytelling, facilitates the participation of all family members. Play and expressive arts techniques, in particular, offer an advantage over traditional “talk therapy” because children are provided with a more developmentally appropriate means to communicate.

Creative Family Worksheets - Kiddy Math

This classic volume, now completely revised, has helped tens of thousands of therapists integrate play therapy and family therapy techniques in clinical practice. Eliana Gil demonstrates a broad range of verbal and nonverbal strategies for engaging all family members--including those who are ambivalent toward therapy--and tailoring interventions for different types of presenting problems.
