DEAD LOCK is Book 8 in Damien Boyd's DI Nick Dixon modern detective series. I've written reviews of the prior seven novels in the series. Boyd never disappoints. Narration is again by Napoleon Ryan. For a man with a deep voice he does a great job with female voices. 5 people found this helpful

The Great Gatsby is a 1925 novel written by American author F. Scott Fitzgerald that follows a cast of characters living in the fictional town of West and East Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan. The Great Gatsby explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream. Set on the prosperous Long Island of 1922, The Great Gatsby provides a critical social history of America during the Roaring Twenties within its fictional narrative. That era, known for profound economic prosperity, the development of jazz music flapper culture, new technologies in communication (motion pictures, broadcast radio, recorded music) forging a genuine mass culture; and bootlegging, along with other criminal activity, is plausibly depicted in Fitzgerald's novel. Fitzgerald uses many of these societal developments of the 1920s that were to build Gatsby's stories from many of the simple details like automobiles to broader themes like Fitzgerald's discreet allusions to the organized crime culture which was the source of Gatsby's fortune. Fitzgerald depicts the garish society of the Roaring Twenties by placing the book's plotline within the historical context of the era.

Take a look behind the scenes of the Travel Channel's hit show Ghost Adventures with paranormal investigator Nick Groff as he shares his favorite explorations of the supernatural. From recording strange voices during his dusk-to-dawn lockdowns at "haunted" places to a face-to-face encounter with a spirit at Linda Vista Hospital in Los Angeles, Nick reveals an inside perspective of some of the most mind-blowing incidents caught on-camera, a closer look at some of the gadgets and gear used in the show, and the friendly and competitive camaraderie between the Ghost Adventures crew—on the set and off. Chasing Spirits also invites you into Nick's haunted past, where a childhood near-death experience, an energetic passion for life, and a love of movies fueled his imagination and curiosity about the afterlife and started him off on his paranormal path. That path combined his interests in a documentary on ghosts that would eventually launch the Ghost Adventures television series and phenomenon. Everything Nick has witnessed and done has convinced him of the reality of the hereafter and inspired him to improve his personal and professional relationships and to continue to learn what it means to be a human being on a spiritual journey.

NEVER FAR BEHIND. The Inter City Jibbers were the most notorious Manchester United hooligan crew of the last thirty years, and Colin 'Beaner' Blaney was up to his neck in it. His years as an ICJ and Wide Awake Firm (WAF) footsoldier saw him blacklisted as an 'Undesirable' by Interpol for smuggling Ecstasy, tearing through gangland warfare with rival crooks, and carrying out daring jewellery thefts as far afield as Taiwan and South Korea. Spurred on by the overwhelming acclaim for his first book, *Grafters*, Blaney's latest account includes stories originally deemed too risky to tell. This shocking, searingly honest new work from the core of the Inter City Jibbers tells of four attempted jailbreaks, and describes members of the ICJ's experiences in numerous hellish overseas jails. These include the gang rape of one WAF member in a Pakistani prison, a brutal time spent in a county lock-up in Virginia and a stint in a Yakuza-filled Japanese jail, as well as run-ins with gun-wielding foreign thugs. Above all, this is a chronicle of twenty-five years of life as an Undesirable, stealing anything that wasn't nailed down.

For readers of Marieke Nijkamp's *This Is Where It Ends*, a powerful and timely contemporary classic about the aftermath of a school shooting. Five months ago, Valerie Leftman's boyfriend, Nick, opened fire on their school cafeteria. Shot trying to stop him, Valerie inadvertently saved the life of a classmate, but was implicated in the shootings because of the list she helped create. A list of people and things she and Nick hated. The list he used to pick his targets. Now, after a summer of seclusion, Val is forced to confront her guilt as she returns to school to complete her senior year. Haunted by the memory of the boyfriend she still loves and navigating rocky relationships with her family, former friends, and the girl whose life she saved, Val must come to grips with the tragedy that took place and her role in it, in order to make amends and move on with her life. Jennifer Brown's critically acclaimed novel now includes the bonus novella *Say Something*, another arresting Hate List story.
