Finally, after years of speculation Bungie and Activision have revealed the first bits and pieces of what exactly Destiny (yes, that's the official name) is all about. It's a first-person shooter.

### **The first real details on Bungie's Destiny revealed**

Destiny Revealed is a YA novel about two kids, just turned 13, who find their life turned upside-down. The contrast between the real world and the world of magic makes this novel's storyline a fascinating read. The two main characters share the spotlight well, and Cris writes their emotions and thoughts incredibly realistically.
