"A delightfully weird . . . journey that includes crazed pharmacists, a guy named Buddha Cheese, and an interstate road trip with a trunk full of pot." -A. J. Jacobs, New York Times-bestselling author Alfred Ryan Nerz is a Yale-educated author, journalist, and TV producer. He's also a longtime marijuana enthusiast who has made it his mission to better understand America's long-standing love-hate relationship with our favorite (sometimes) illegal drug. His cross-country investigation started out sensibly enough: taking classes at a cannabis college, hanging out with a man who gets three hundred pre-rolled joints per month from the federal government, and visiting the world's largest medical marijuana dispensary. But his journey took an unexpected turn and he found himself embedded with one of the largest growers and dealers on the West Coast. He quickly transformed into an underworld apprentice--surrounded by pit bulls, exotic drugs, beanbags full of cash, and trunks full of weed. But while struggling to navigate the eccentric characters and rampant paranoia of the black market, he maintained enough equanimity to explore a number of vital questions: Is marijuana hurting or helping us? How is it affecting our lungs, our brains, and our ambitions? Is it truly addictive, and if so, are too many of us dependent on it? Should we legalize it? Does he need to quit? As entertaining as it is illuminating, Marijuanamerica is one man's attempt to humanize the myriad hot-button topics surrounding the nation's obsession with weed, while learning something about himself along the way. "These wacky accounts rival T.C. Boyle's fine novel Budding Prospects in showing the highly misguided paranoia that can be cured--or accentuated--by consumption of the marijuana plant's sticky blossoms." -Pasatiempo

-- An overview of the American & Japanese collectible card games -- Photos of American & Japanese trading cards -- Up-to-date secondary market prices -- A behind-the-scenes look at the Digimon "TM" television show -- Profiles of the Digi-Destined and their Digimon "TM" companions

Explains the ins and outs of the game, covering the Digimon data chart, maps, characters, battle strategies, and training tips.
