Dissensus: On Politics and Aesthetics by Jacques Ranciere ...

Important, illuminating, less obfuscating than some of his other works, this book is a good introduction to Ranciere's conception of politics (& thus his conception of aesthetics, the structure of which he sees as strictly parallel to that of politics).

The Thinking of Dissensus: Politics and Aesthetics

The difference between politics and aesthetics lies in the character of the dissensual movements they create. The aesthetic movement of politics "consists above all in the framing of a we, a subject of collective demonstration whose emergence is the element that disrupts the distribution of social parts."
