In parallel columns of French and English, lists over 4,000 reference works and books on history and the humanities, breaking down the large divisions by subject, genre, type of document, and province or territory. Includes titles of national, provincial, territorial, or regional interest in every subject area when available. The entries describe the core focus of the book, its range of interest, scholarly paraphernalia, and any editions in the other Canadian language. The humanities headings are arts, language and linguistics, literature, performing arts, philosophy, and religion. Indexed by name, title, and French and English subject.
