Life Ahead presents lessons that move far beyond the traditional forms of education taught in most schools and colleges. Drawn from transcripts of talks given to Indian students, the book covers a wide range of universal topics. In short, accessible chapters, Krishnamurti explores the danger of competition, the value of solitude, the need to understand both the conscious and the unconscious mind, and the critical difference between concentration and attention, and between knowledge and learning. Krishnamurti exposes the roots of fear and eradicates deeply entrenched habits of tradition, limitation, and prejudice. The life he holds forth requires a complete change of thought, even a revolution, one that begins "not with theory and ideation," he writes, "but with a radical transformation in the mind itself." He explains how such transformation occurs only through an education that concentrates on the total development of the human being, an education carefully described in this simple yet powerful book.

Over 16 million copies sold worldwide 'Every human being should read this book' Simon Sinek One of the outstanding classics to emerge from the Holocaust, Man's Search for Meaning is Viktor Frankl's story of his struggle for survival in Auschwitz and other Nazi concentration camps. Today, this remarkable tribute to hope offers us an avenue to finding greater meaning and purpose in our own lives.

Praise For Zero Limits "This riveting book can awaken humanity. It reveals the simple power of four phrases to transform your life. It's all based in love by an author spreading love. You should get ten copies of it----one for you and nine to give away. It's that good." ---- Debbie Ford, New York Times bestselling author of The Dark Side of the Light Chasers "I love this book! I feel it will be the definitive personal-change/self-help book for at least a generation and viewed as a watershed event by historians. There is real potential for this book to start a movement that will end war, poverty, and the environmental devastation of our beloved planet." ---- Marc Gitterle, MD, www.CardioSecret.com "This book is like a stick of dynamite, and the moment you start reading, the fuse is lit. It blows away all the complex and confusing success paradigms of the past and reveals a refreshing and clear path to transform your life with just one simple step. As you explore Zero Limits with Vitale, be prepared for a journey that is both challenging and inspiring beyond anything you've imagined." ---- Craig Perrine, www.MaverickMarketer.com "There are more than 6 billion different manifestations of human existence on the planet?and only one of us here. In Zero Limits, Vitale has captured the truth that all great spiritual, scientific, and psychological principles teach at the most fundamental level. Boil it all down to the basics and the keys are quite simple---- the answer to all life's challenges is profound love and gratitude. Read this book; it's a reminder of the truth and ability you already possess." ---- James Arthur Ray, philosopher and bestselling author of Practical Spirituality and The Science of Success "Wow! This is the best and most important book Vitale has ever written!" ---- Cindy Cashman, www.FirstSpaceWedding.com "I couldn't put it down. This book elegantly sketches what I've learned and learned about in twenty-one years of personal study, and then it takes it to the next level. If you're looking for true peace along with 'the good stuff,' then this book is for you." ---- David Garfinkel, author of Advertising Headlines That Make You Rich "Zero Limits is Vitale's adventure into the most mind-altering reading experience of your life." ---- Joseph Sugarman, President, BluBlocker Sunglasses, Inc.

Here Paulo Coelho details his journey across Spain along the legendaryroad of San Tiago, which pilgrims have travelled since Middle Ages. On this contemporary quest, he encounters a Chaucerian variety of mysterious guides and devilish opponents and learns to understand the nature of truth through the simplicity of life. The Pilgrimage holds an important place in Paulo Coelho's literary canon.His first book, it not only paved the way for his phenomenal novel The Alchemist , but it also fully expresses his humanist philosophy and the depth of his unique search for meaning.

A revised and amplified edition, with a new introduction, of the three books "Broadcast Talks," "Christian Behaviour," and "Beyond Personality" by the acclaimed author of "The Chronicles of Narnia."

In Many Lives, Many Masters, Brian Weiss opened an unexpected door into the astonishing realm of past-life regression. Now he reveals the miraculous potential of love. You'll hear the intimate and startling testimonies of real people who express a profound but simple truth-one that comes from the eternal souls around us. You'll discover what happens to us after we die, strategies for fighting anxiety and healing relationships, and the role of God and self-determination. You'll explore exercises and meditations to tap into the power of love and utterly transform your life. The Messages from the Masters are here. Are you ready for them?

As A Man Thinketh maps out the way in which our thoughts can affect our physical, mental, emotional and social health. It also discusses ways in which we can use our visions and ideas to lead us to peace of mind. This book by James Allen sums up the hows, whys and whats of taming the mind and its infinite energies, of channelizing the power of positive thinking, and striking a balance between the inner world of our thoughts as against the outer world of action.
