This stunning new colouring book by Johanna Basford takes readers on a inky quest through an enchanted forest to discover what lies in the castle at its heart. As well as drawings to complete, color and embellish, there are hidden objects to be found along the way including wild flowers, animals and birds, maps, lanterns, keys and treasure chests. Beginning at the entrance to the forest, the journey progresses through woodland, rocky caves and tree-lined mazes, over streams and a waterfall, across the trees tops, to finally reach the castle. Also hidden throughout the book are eight symbols. Readers must find all the symbols to solve the colouring puzzle on a pull-out poster at the end of the book.
