Teaching English for Tourism initiates a sustained academic discussion on the teaching and learning of English to tourism professionals, or to students who aspire to build a career in the tourism industry. Responding to a gap in the field, this is the first book of its kind to explore the implications of research in English for tourism (Eft) within the field of English for specific purposes. This edited volume brings together teachers and researchers of EFT from diverse national and institutional contexts, focusing on connecting current research in Eft contexts to classroom implications. It considers a wide range of themes related to the teaching of Eft, including theoretical concepts, methodological frameworks, and specific teaching methods. The book explores topics relating to the impact of changing technologies, the need for cultural understanding, and support for writing development, among others. Teaching English for Tourism explores this growing area of English for specific purposes and allows for researchers and practitioners to share their findings in an academic context. This unique book is ideal reading for researchers, post-graduate students, and professionals working in the fields of English language teaching and learning.

English for Tourism and Hospitality in Higher Education Studies The Garnet Education English for Specific Academic Purposes series won the Duke of Edinburgh English Speaking Union English Language Book Award in 2009. English for Tourism and Hospitality is a skills-based course designed specifically for students of tourism and hospitality who are about to enter English-medium tertiary level studies. It provides carefully graded practice and progressions in the key academic skills that all students need, such as listening to lectures and speaking in seminars. It also equips students with the specialist language they need to participate successfully within a tourism and hospitality faculty. Extensive listening exercises come from tourism and hospitality lectures, and all reading texts are taken from the same field of study. There is also a focus throughout on the key tourism and hospitality vocabulary that students will need. Listening: how to understand and take effective notes on extended lectures, including how to follow the argument and identify the speaker's point of view. Speaking: how to participate effectively in a variety of realistic situations, from seminars to presentations, including how to develop an argument and use stance markers. Reading: how to understand a wide range of texts, from academic textbooks to Internet articles, including how to analyze complex sentences and identify such things as the writer's stance. Writing: how to produce coherent and well-structured assignments, including such skills as paraphrasing and the use of the appropriate academic phrases. Vocabulary: a wide range of activities to develop students' knowledge and use of key vocabulary, both in the field of tourism and hospitality and of academic study in general. Vocabulary and Skills banks: a reference source to provide students with revision of the key words and phrases and skills presented in each unit. Full transcripts of all listening exercises. The Garnet English for Specific Academic Purposes series covers a range of academic subjects. All titles present the same skills and vocabulary points. Teachers can therefore deal with a range of ESAP courses at the same time, knowing that each subject title will focus on the same key skills and follow the same structure. Key Features Systematic approach to developing academic skills through relevant content. Focus on receptive skills (reading and listening) to activate productive skills (writing and speaking) in subject area. Eight-page units combine language and academic skills teaching. Vocabulary and academic skills bank in each unit for reference and revision. Audio CDs for further self-study or homework. Ideal coursework for EAP teachers. Extra resources at www.garnetesap.com

A course which equips students for the competitive environment of international tourism.

Tourism is one of the most rapidly evolving industries of the twenty-first century. The economy of many countries all over the world depends on their ability to attract visitors and maintain a distinct edge in a highly competitive market. International Tourism and Hospitality in the Digital Age brings together the best practices for growth, development, and strategic management within the tourism and hospitality industries. Highlighting comparative research that explores the cross-cultural contexts and societal implications of tourism, this book is an essential resource for professionals, researchers, academics, and students interested in a contemporary approach to promoting, managing, and maximizing profitability of leisure and recreation services.
