RENOWNED ARTIST R. O. BLECHMAN'S illustrations are instantly recognizable. For more than fifty years, his work has appeared on the covers of *The New Yorker*, run alongside op-eds in *The New York Times*, graced the pages of *Harper's Bazaar*, and, more recently, been featured on *The Huffington*

Post, providing unspoken commentary on the world at large. In *Dear James*, Blechman has compiled all the wisdom he has accumulated over the course of his esteemed career into a series of poignant yet instructive letters written to an imagined young illustrator, "James." The result is a wise and mesmerizing meditation on creativity. Flush with wit and candor, Blechman's correspondence delves into his own trash can of false starts and failed beginnings, in addition to his artistic triumphs, to offer James both encouragement and criticism.

He urges him to reach his potential as an artist, advising him on practical aspects -- proper technique, choice of work environments, dealing with editors -- and along the way provides invaluable insights on art, and life, that lay bare the challenges James will face as he aims to be successful in this demanding field. In the tradition of Rilke's *Letters to a Young Poet*, *Dear James* is an indispensable tool for any up-and-coming creative person looking for advice and inspiration, as well as a memorable read for those daring enough to chase their dreams.

This visual masterpiece contains more full-color photography of Gutmann's work than all other previous Gutmann publications, and is accompanied by the most complete pricing to her work ever offered. Some of the works shown are so rare that this book provides their only publication outside of hard-to-find antique art print catalogs. The

Smith's narrative relates not only his personal experiences, but also includes many anecdotes about other Kentucky slaves and masters. Many of his stories are humorous and pleasant, relating to sporting adventures and leisure activities. Others, however, relate instances of neglect, violence, and the mistreatment of slaves by their masters and other white authorities. Although Smith's narrative focuses primarily on slave family

Reproducing over 200 works on paper from the past 50 years, this publication presents a crucial part of the British sculptor's artistic practice. Designed by Takaaki Matsumoto, the book will be published alongside the Hauser & Wirth London exhibition opening in late May 2014. A never-before-published interview between the artist and Hans Ulrich Obrist provides insight into drawings that are not preparations but, rather,

daily exercises done before, during, and after the creation of her sculptures. While the works on paper range in style, they demonstrate a consistency in colour and form in their exploration of ideas related to structures, architectural interiors and urban surroundings. Unlike sculptures from her early career that have not been preserved, Barlow's works on paper stretch back to the early 1960s when she was a student at Chelsea College of Art. This new publication, thus, charts a career-long commitment to artistic inquiry at the vanguard of contemporary art. Published
