The illustrations make the dictionary fun and appealing, allowing children to understand what words mean, while example sentences show how the words can be used. The simple grammatical labels provided introduce children to different word groups. Simple, fun and easy-to-use, this is the perfect for any child's first school dictionary.

Collins First Dictionary on Apple Books

The Collins English Dictionary is a printed and online dictionary of English. It is published by HarperCollins in Glasgow. The edition of the dictionary in 1979 with Patrick Hanks as editor and Laurence Urdang as editorial director, was the first British English dictionary to be typeset from the output from a computer database in a specified format. This meant that every aspect of an entry was handled by a different editor using different forms or templates.
