change. "Joshua Giles reveals how to be positioned as a glorious overcomer and frontliner in the midst of all that lies ahead. I highly recommend this book."--PATRICIA KING, author, minister, media host "Joshua Giles penned a relevant resource with an Issachar anointing and prophetic insight to see from heaven's lens the overall plan of God for the future of the Church."--DR. HAKEEM COLLINS, prophetic voice, international speaker, author of The Power of Aligning Your Words to God's Will

The most comprehensive and up-to-date guide to critical auditing standards, practices, and procedures for 2022 The American Institute of Certified Public Accountants (AICPA) sets the Generally Accepted Auditing Standards or GAAS under which U. S. audits are conducted in the United States. Auditors must comply with and understand every aspect of GAAS in order to comply with AICPA standards. As a result, it is crucial for CPAs to be up-to-date on all applicable guidelines, rules, and regulations. Wiley Practitioner's Guide to GAAS 2022 delivers a thorough description and analysis of not only auditing standards – SASs, but also SSAEs, SSARs, and the Interpretations necessary to fully understand all the latest professional standards. The guide offers the most recent revisions to the standards, including those on: Materiality, Audit reports, ERISA audits, SSAE direct examination engagements, and Practitioner's review reports. The Guide explains the standards clearly and accurately, providing explicit information on how to conduct your engagements efficiently, effectively, and properly—all in one resource. In addition, Wiley Practitioner's Guide to GAAS 2022 provides readers with: Practical direction on the steps necessary to help you comply with GAAS Comprehensive guidance on the entire auditing process, from start to finish Explanations of all attestation and review, compilation, and preparation standards A glossary of relevant terminology for each subject A crucial resource for accountants and auditors who are looking for a comprehensive explanation of the information used on a daily basis, Wiley Practitioner's Guide to GAAS 2022 is an invaluable resource written to save you time and simplify your compliance with professional standards. strong style="mso-bidi-font-weight: normal;"The most comprehensive and up-to-date guide to critical auditing standards, practices, and procedures for 2022

Allen's Festival and Special Event Management, Essentials Edition serves as a concise yet comprehensive, step-by-step handbook for modern event management. This Essentials edition gives students contemporary lessons and insights that they can relate to. It brings theory to life through copious practical examples, illustrative diagrams and unique case studies demonstrating best practices and pitfalls. Industry experts from across APAC's event planning sector have contributed content to key contemporary topics including sustainability, risk management, project management and strategic alignment to client goals. This edition also features Wiley's Future Student Guide, a unique tool which provides expert and practical advice on career preparedness making for more future-ready graduates.

This book is written strictly in accordance with the latest syllabus prescribed by the Council for the I.C.S.E. Examinations in and after 2023.

Now in its Fourth Edition, this key text has been fully revised and updated and includes two new chapters on Evaluation and Impact of Events and The Future of the Events Industry. Packed with case studies, both in-text and online, it takes the reader through the whole process of events management.

A unique and user-friendly text which advances managerial views on how the event industry is transforming. Packed with international real-life case studies and examples, it contextualises theory and illustrates how the industry has had to adapt whilst still considering key technological and sustainability issues.

Managing Major Sports Events: Theory and Practice is a complete introduction to the principles and practical skills that underpin the running and hosting of major sports events, from initial bid to post-event legacy and sustainability. Now in a fully-revised and updated new edition, the book draws on the latest research from across multiple disciplines; explores real-world situations, and emphasises practical problem-solving skills. It covers every key area in the event management process, including: □ Bidding, leadership, and planning □ Marketing and human resource management □ Venues and ceremonies □ Communications and technology (including social media) □ Functional area considerations (including sport, protocol, and event services) □ Security and risk management □ Games-time considerations □ Event wrap-up and evaluation □ Legacy and sustainability This revised edition includes expanded coverage of cutting-edge topics such as digital media, culture, human resources, the volunteer workforce, readiness, security, and managing Games-time. Each chapter combines theory, practical decision-making exercises and case studies of major sports events from around the world, helping students and practitioners alike to understand and prepare for the reality of executing major events on an international scale. Also new to this edition is an 'Outlook, Trends and Innovations' section in each chapter, plus 'tips' by leading events professionals. Managing Major Sports Events: Theory and Practice is an essential textbook for any course on sports event management or international sports
