they're transported back to the Wild West, Frankie's team will have to go head-to-head with some crabby cowboys. Will they be able to win the penalty shoot-out at high noon?"--Page 4 of cover.

Frankie and his teammates love playing soccer. They can always find time for a game. But when they win an old soccer ball at a carnival, they're transported to a magical world of soccer that they never knew existed! Can Frankie and his team beat the

Frankie and his soccer team travel to fantastic lands to play some of the wildest soccer matches ever!

"The wildest college basketball story ever told." –Adrian Wojnarowski

The only thing about me that's a size zero is the filter on my mouth. I've got a big personality, a big rack, and a big number on the scale. And I'm perfectly fine with that. But when some random guy suggests I might not be eating alone if I'd ordered a salad instead of a hamburger I'm shocked silent, which is a feat, trust me. That brings us to one sexy fireman named Frankie Hartigan. He's hot. He's funny... And he's just apologized for being late for our "date" then glared at the fat-shaming jerk. Next thing I know, he's sitting down and ordering himself dinner. I have no problem telling him I don't need a

File Type PDF Frankie Vs The Knights Nasties Book 5 Frankies Magic Football

pity date...unless of course it's to my high school reunion next week. Oops where did that last bit come from? And what do I do now that he's said yes?! Because this is no make-over story, and I think Frankie is using me for something. I just have to figure out what...

Frankie's magic soccer ball transports him and his team to an arena in Ancient Rome where they will be playing the Rowdy Romans.

INVENTING THE MIDDLE AGES The Lives, Works, and Ideas of the Great Medievalists of the Twentieth Century In this ground-breaking work, Norman Cantor explains how our current notion of the Middle Ages-with its vivid images of wars, tournaments, plagues, saints and kings, knights and ladies-was born in the twentieth century. The medieval world was not simply excavated through systematic research. It had to be conceptually created: It had to be invented, and this is the story of that invention. Norman Cantor focuses on the lives and works of twenty of the great medievalists of this century, demonstrating how the events of their lives, and their spiritual and emotional outlooks, influenced their interpretations of the Middle Ages. Cantor makes their scholarship an intensely personal and passionate exercise, full of color and controversy, displaying the strong

File Type PDF Frankie Vs The Knights Nasties Book 5 Frankies Magic Football

personalities and creative minds that brought new insights about the past. A revolution in academic method, this book is a breakthrough to a new way of teaching the humanities and historiography, to be enjoyed by student and general public alike. It takes an immense body of learning and transmits it so that readers come away fully informed of the essentials of the subject, perceiving the interconnection of medieval civilization with the culture of the twentieth century and having had a good time while doing it! This is a riveting, entertaining, humorous, and learned read, compulsory for anyone concerned about the past and future of Western civilization.
