Accounts payable fraud?

Accounts payable fraud is a

practice where

money is extracted from

an organisation

using illegal or duplicitous

tactics.

Typically, the accounts payable team is

# Bookmark File

A key protection against accounts payable fraud involves

matching key

documents – be they receipts,

invoices, or

internal emails

– that show work was agreed to.

This task is important, but

# Bookmark File

## PDF Fraud In

it's also cumbersome enough that some companies might forgo even a two-way match of documents. Three-way matches done manually are almost unheard of.
