Generac 7500 EXL Generator. I've owned the Generac 7500 EXL for a couple of yrs now. My first choice for a generator would have been a Honda but if you have priced the Honda's you understand. For my needs the Generac has done pretty well. All I use the generator for is backup power so it sits quietly covered most of the time. I live out in the country and power failures are pretty common ...
