The second edition of Modern Brazilian Portuguese Grammar Workbook is an innovative book of exercises and language tasks for all learners of Brazilian Portuguese. The book is divided into two sections: • Part A provides exercises based on essential grammatical structures • Part B practises everyday functions (e.g. making social contact, asking questions and expressing needs). A comprehensive answer key at the back of the book enables you to check on your progress. The Modern Brazilian Portuguese Grammar Workbook is ideal for all learners who have a basic knowledge of Brazilian Portuguese, including undergraduates taking Brazilian Portuguese as a major or minor part of their studies, as well as intermediate and advanced school, adult education and self-study students. While primarily intended for use in conjunction with Modern Brazilian Portuguese Grammar: A Practical Guide, it can also serve as an independent resource.

The bestselling 501 Verbs Series is the #1 reference source for verb usage in virtually every major language. It's printed in two colors and features tinted page edges for ease of reference. This edition presents the most important and most commonly used Portuguese verbs arranged alphabetically with English translations in chart form, one verb per page, and conjugated in all persons and tenses, both active and passive. This comprehensive guide to verb usage contains a wealth of reference material and language tips, including a bilingual list of more than 1,250 additional Portuguese verbs, helpful expressions and idioms for travelers, verb drills and short tests with all questions answered and explained, and more. Learning Portuguese is easy with help from the 501 Portuguese Verbs!

Sweaty horseplay, boozie leprechaun girls, and fishy sex via soul transfer may not be everyone's cup of tea, but the Interspecies Reviewers aren't ones to back down from a romp. As Stunk and the gang start the New Year right with some auspicious lovenmaking, Crim ends up the target of some scheming witchcraft...!

The five authors in this concise handbook serve as wonderful "grief-guides." While they all acknowledge that the world is now a different place without our parents, the important thing now is to pay close attention to the healing of our hearts.

Reconstructed from lecture notes of his students, these are the best records of the theories of Ferdinand De Saussure, the Swiss linguist whose theories of language are acknowledged as a primary source of the twentieth century movement known as Structuralism.
