Great Expectations, novel by Charles Dickens, first published serially in 1860–61 and issued in book form in 1861. The classic novel was one of its author's greatest critical and popular successes. Great Expectations is the thirteenth novel by Charles Dickens and his penultimate completed novel. It depicts the education of an orphan nicknamed Pip. It is Dickens's second novel, after David Copperfield, to be fully narrated in the first person.

The engaging biography of one of the most celebrated and enduring authors of Western literature Charles Dickens grew up in harsh poverty and became one of the world's most beloved authors. Biographer Fred Kaplan takes a brilliant, multifaceted approach in his examination of Dickens's life: his fraught marriage and relationships; the ever-present effects of his humble beginnings; his extensive, but carefully managed, public life; and his friendships with famous writers. Dickens unearths the complex passions that drove both the man and his work, illuminating why the legendary author—just like the characters in his fiction—has remained a mammoth figure in Western literature.

Lloyd Jones' new novel is set mainly in a small village on Bougainville, a country torn apart by civil war. Matilda attends the school set up by Mr Watts, the only white man on the island. By his own admission he's not much of a teacher and proceeds to educate the children by reading them Great Expectations. Matilda falls in love with the novel, strongly identifying with Pip. The promise of the next chapter is what keeps her going: Pip's story protects her from the horror of what is happening around her - helicopters menacing the skies above the village and rebel raids on the ground. When the rebels visit the village searching for any remaining men to join their cause, they discover the name Pip written in the sand and instigate a search for him. When Pip can't be found the soldiers destroy the book. Mr Watts then encourages the children to retell the story from their memories. Then when the rebels invade the village, the teacher tells them a story which lasts seven nights, about a boy named Pip, and a convict. . . .

Retells the classic story of young Pip, who has been told he has great expectations and will be educated to become a gentleman, as a graphic novel with study guide.
