Hidden agendas jeopardize morale. Hidden agendas are perhaps the single greatest morale buster within your organization. They conceal true motives and are in many ways deceiving. Once exposed it can leave your team feeling demoralized and betrayed. When morale has been compromised your effectiveness will suffer. Hidden agendas endanger your company 's future

~~How Hidden Agendas Impact Organizational Success ...~~

Here 's a big barrier to communication – not admitting what your (hidden) agenda is, or that you even have one. We all have agendas, which is simply indicative of the fact that we have a vested interest in the situation (the reason we care to get involved) and we want things to go our way. What we want may be to boost our ego. It may be to help another person. It may be to add value. It may be to be recognized. We all have agendas.
