Choosing the Best Home Elevators for Sale: A Buyer's Guide. Whether you are an elderly person interested in maintaining your independence in your own home, a homeowner with limited mobility, or a homeowner interested in adding convenience and value to your property, your life would be so much simpler with a home lift or personal elevator.

Buyer's Guide to Home Elevators: Choosing Residential - -  
Unlike large and spacious commercial elevators, the typical elevator dimensions for a home lift's cab usually won't exceed more than 15 square feet. This is considerably smaller than the average 22-square-foot commercial elevator cab. Usually, residential elevators are 36 inches (3 feet) wide and 48 inches (4 feet) deep, but choosing a larger cab size is an option if you have ample space. Elevator Size Considerations. Over the past several years, accessibility has become a larger concern ...
