In this perfectly compact read, #1 New York Times bestselling author John C. Maxwell explains how true leadership works. It is not generated by your title. In fact, being named to a position is the lowest of the five levels every effective leader achieves. To be more than a boss people are required to follow, you must master the ability to inspire and invest in people. You need to build a team that produces not only results, but also future leaders. By combining the advice contained in these pages with skill and dedication, you can reach the pinnacle of leadership—where your influence extends beyond your immediate reach for the benefit of others. Derived from material previously published in the Wall Street Journal bestseller The 5 Levels of Leadership.

A Wall Street Journal bestseller, HOW SUCCESSFUL PEOPLE THINK is the perfect, compact read for today's fast-paced world. America's leadership expert John C. Maxwell will teach you how to be more creative and when to question popular thinking. You'll learn how to capture the big picture while focusing your thinking. You can make a difference! Believe it or not, the most effective way to make an impact on the world is to make an impact on individual people. How do you do that? Through influence. In How to Influence People, leadership guru John C. Maxwell and his friend Jim Dornan tell you how to make a positive impact on every person in your life, from your children and coworkers to your customers and the barista at the coffee shop. How to Influence People will empower you to become a potent and positive influence in the lives of those around you without using a position or title. By “pouring your life into other people” (Dr. Maxwell’s definition of mentoring), “you can truly make a difference in their lives.” And when you make a difference in the lives of others, it makes a difference in your life too. Learn to perceive the stages of influence in your relationships and skillfully navigate your progress from perfect stranger to helpful confidant, to inspiring mentor and multiplier of influencers. Let this book impact your relationships, great and small, and make you a positive influencer and better leader in the lives of those around you.
