Siberia - Wikipedia

In Siberia was not only a trip across the vast frozen land mass in the company of Colin Thubron, for me it was an evocative text conjuring memories of my childhood. When I was young (in the 1980s... I know I am so old and it was so long ago) my Dad worked in Siberia.

In Siberia by Colin Thubron - Goodreads

A first rate travel writer, travels in post-Soviet Union Siberia. It is a fascinating and sometimes chilling tale, as he draws one into the journey with anecdote and history, but ever looking over his shoulder to a much darker past.

In Siberia: Amazon.co.uk: Thubron, Colin: 9780099459262: Books

Siberia, Russian Sibir, vast region of Russia and northern Kazakhstan, constituting all of northern Asia. Siberia extends from the Ural Mountains in the west to the Pacific Ocean in the east and southward from the Arctic Ocean to the hills of north-central Kazakhstan and the borders of Mongolia and China.
