Leimer takes a similar esthetic stance in Land Of Look Behind, with sustained synthesizer chords that float in and out of view, decorated with a mysterious jungle of half-heard voices and electronic effects. The main difference between the albums is that Leimer uses much more percussion, creating strong, primitive rhythms that carry the music ...

50 Pips A Day Forex Strategy Start making consistent profits in the forex market. This is a very clear and simple to follow forex trading strategy to get you started achieving consistent profits day after day trading the forex market. It will make you 50 pips per day or more every day. It is ideal for beginner traders but it will give a great deal of help to more experienced traders that have not found a clear strategy to make profits consistently. Components Support and Resistance Candlesticks Moving Average Time frame - 4 hours chart It is easy to understand and to put in practice. It has very well defined entry, stop loss and exit levels. Apart from the strategy, this book also contains a very useful guide that teaches you how to construct a profitable forex trading system for yourself and how to avoid trading and money management mistakes. How to Build a Solid Trading System Are you new to forex trading or just started to trade on a live account but with not much success ? You need a solid forex trading system based on sound principles of the forex market, that has clear trading and money management rules. Do you have a forex trading system and you have been trading with it for a period of time but still you don't have the success you hoped for ? This can only mean that your trading system does not take into account the basic trading rules and principles that any powerful forex trading system incorporates. This book teaches you how to construct your own powerful forex trading system, what are the most important forex trading tools that you must include in it, what not to include in your forex trading system, how to apply solid money management rules and equally important, how to avoid making trading mistakes that will cost you when you start to trade with your newly developed forex system.

Many traders go around searching for that one perfect trading strategy that works all the time in the global FOREX (foreign exchange/currency) market. Frequently, they will complain that a strategy doesn't work. Few people understand that successful trading of the FOREX market entails the application of the right strategy for the right market condition. *7 Winning Strategies For Trading Forex* covers: - Why people should be paying attention to the FOREX market, which is the world's largest and most liquid financial market - How understanding the structure of this market can be beneficial to the independent trader - How to overcome the odds and become a successful trader - How you can select high-probability trades with good entries and exits. Grace Cheng highlights seven trading strategies, each of which is to be applied in a unique way and is designed for differing market conditions. She shows how traders can use the various market conditions to their advantage by tailoring the strategy to suit each one. This revealing book also sheds light on how the FOREX market works, how you can incorporate sentiment analysis into your trading, and how trading in the direction of institutional activity can give you a competitive edge in the trading arena. This invaluable book is ideal for new and current traders wanting to improve their trading performance. Filled with practical advice, this book is a must-read for traders who want to know exactly how they can make money in the FOREX market.

Praise for *ADVENTURES of a CURRENCY TRADER* "A truly easy, unique, and enjoyable read! Rob has done it once again to teach us in the funniest way possible how not to make the most common trading mistakes. If you are tired of reading how-to books, this is perfect for you. I

highly recommend this book to all traders. Everyone will learn something about themselves by reading this book." —Kathy Lien, author, Day Trading the Currency Market, and Chief Strategist, www.dailyfx.com "Adventures of a Currency Trader is a must read for anyone who has ever traded or is thinking about trading in the Forex markets. Rob Booker has a unique way of taking years of market knowledge and transforming it into an educational and entertaining experience. It has quickly become a cult classic in my trading library!" —H. Jack Bouroudjian, Principal, Brewer Investment Group "Brilliant! Rob's humor and humanity shine through in this parable about trading and life. Filled with wisdom and wit, it's an exhilarating rollercoaster ride through the peaks and valleys of the learning curve, with many valuable lessons learned along the way." —Ed Ponsi, President, FXEducator.com "Rob's fable of everyman 'Harry Banes' is destined to become a trading classic. This is both the missing piece and the foundation that comes before the strategies and methodologies. The search for the Holy Grail begins and ends in the heart and mind. The journey is authentic and real and if you're willing to take it with Rob, you will be rewarded in the end. Seldom has psychology and wisdom been so entertaining!" —Raghee Horner, trader and author of Forex Trading for Maximum Profit and Days of Forex Trading "In a series of insightful and entertaining vignettes, Rob Booker teaches both the novice and the experienced trader some hard won truths about the currency market. It's a must read book written by a guy who survived the trenches and went on to prosper in the biggest and most competitive financial market in the world." —Boris Schlossberg, Senior Currency Strategist, Forex Capital Markets LLC, and author of Technical Analysis of the Currency Market
