Le Royaume De Kensuke

When Michael's father loses his job, he buys a boat and convinces Michael and his mother to sail around the world. It's an ideal trip - even Michael's sheepdog can come along. It starts out as the perfect family adventure - until Michael is swept overboard. He's washed up on an island, where he struggles to survive. Then he discovers that he's not alone. His fellow-castaway, Kensuke, is wary of him. But when Michael's life is threatened, Kensuke slowly lets the boy into his world. The two develop a close understanding in this remote place, but the question of rescue continues to divide them.

Allie lives off the coast of England. Merry lives in New York City. Until Merry and her mother set sail on the Lusitania for England, where Merry's father is recuperating from a war injury. People told them not to go, hearing rumors that the Lusitania might be carrying munitions. But they are desperate to be reunited with Merry's father. Allie and his father find a lost girl in an abandoned house on a small island. The girl doesn't speak, except to say what sounds like "Lucy." Allie's mother nurses her back to health. The others in the village suspect the unthinkable: Lucy is actually German-an enemy-because she's found with a blanket with a German tag. Told from Allie and Merry's points of view, this exquisite novel tells of friends, enemies, and unexpected kindnesses.

An Elephant in the Garden is Simon Reade's new adaptation of Michael Morpurgo's best-selling children's novel. 1945. Dresden, Germany. Lizzie, her mother – and an elephant from the zoo, flee the Allied fire-bombing in the end-game of the Second World War. Escaping the Allies' advance from the West – and also the advancing Russian armies from the East – this extraordinary trio of refugees meet a downed RAF officer, cowering in a barn; a homeless school choir on the run and their Countess saviour, harbouring them from the Nazis; and the mechanised American cavalry, appearing over the horizon. It is Lizzie's story – but Marlene, the elephant, is the heroine. Plodding, obdurate, opportunistic, loadbearing, indestructible, cheering – Marlene embodies the stubbornness of the human will and how it will do everything to survive.

Did you know that many of America's Founding Fathers—who fought for liberty and justice for all—were slave owners? Through the powerful stories of five enslaved people who were "owned" by four of our greatest presidents, this book helps set the record straight about the role slavery played in the founding of America. From Billy Lee, valet to George Washington, to Alfred Jackson, faithful servant of Andrew Jackson, these dramatic narratives explore our country's great tragedy—that a nation "conceived in liberty" was also born in shackles. These stories help us know the real people who were essential to the birth of this nation but traditionally have been left out of the history books. Their stories are true—and they should be heard. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum.

A brand-new illustrated edition of the bestselling adventure novel by author Winter Morgan with 75 full-color illustrations. Perfect for every boy and girl who loves Minecraft! Steve lives on a wheat farm. He has everything he needs to live in the Minecraft world: a bed, a house, and food. Steve likes to spend his mornings in the NPC village and trade his wheat for emeralds, armor, books, swords, and food. One morning, he finds that Zombies have attacked the villagers. The Zombies have also turned the village blacksmith into a Zombie, leaving Steve without a place to get swords. To protect himself and the few villagers that remain, Steve goes on a quest to mine for forty diamonds, which are the most powerful mineral in the Overworld. He wants to craft these diamonds into a diamond sword to shield him and the villagers from the Zombies. Far from his home, with night about to set in, Steve fears for his life. Nighttime is when users are most vulnerable in Minecraft. As he looks for shelter in a temple, he meets a trio of treasure hunters, Max, Lucy, and Henry, who are trying to unearth the treasure under the temple. Steve tells them of his master plan to mine for the most powerful mineral in the Overworld—the diamond. The treasure hunters are eager to join him. Facing treacherous mining conditions, a thunderstorm, and attacks from hostile mobs, these four friends' question if it's better to be a single player than a multiplayer, as they try to watch out for each other and chase Steve's dream at the same time. Will Steve find the diamonds? Will his friends help or hinder the search? Should he trust his new treasure hunter friends? And will Steve get back in time to save the villagers?
