Lettering Large corrects the balance, assembling a huge overview of installations, inscriptions and artworks that use the power of the printed work to make their point. Whether letters are cut, carved, painted or punched, the book looks at ways in which typography and the built (and natural) environments have come together, with new works supported by plenty of historical precedents.”

This is such an amazing book. It is equally great with pictures and text information. It is perfectly separated in sections by type of lettering. It first gives history and then goes into typical lettering, 2 dimensional lettering integrated into buildings and then 3 dimensional lettering as art. I highly recommend this book!

Typography has jumped off the printed page to stand on its own as branding, sculpture, and even architecture. *Lettering Large* examines this phenomenon through a diverse collection of images collected from a vast range of sources around the world. As technology has made construction and production of monumental letters possible, the demand for their design has grown exponentially. This book is the first to chronicle letters as presences in the urban landscape. Preeminent graphic design and typographic commentator and historian Steve Heller teams with Mirko Ilić, a noted graphic designer, to select the most dramatic and telling examples culled from sites across the United States and throughout Europe and Asia.

Typography is always one of the designer's first considerations when it comes to making a statement, and in recent years the world of lettering and type has exploded in an unprecedented wave of creative discovery. Contemporary artists, typesetters, and designers of all kinds are exploring new horizons in illustrated and hand-drawn lettering, digitally rendered lettering, and 3D lettering. This collection—large in scope but petite in size—surveys the recent lettering renaissance, showcasing a diverse range of talent in gorgeous, eye-catching examples and profiling today's innovators. In a stunning little package that expertly combines a handmade feel with

a modern aesthetic, this is the ultimate inspirational collection of contemporary lettering for design buffs and type enthusiasts alike.

Learn the beauty and joy of modern lettering with *By Hand*, a thoughtful collection of projects and lessons to bring unique, handmade designs into your life, home, and gatherings. In a world of screens and social media, people are constantly searching for ways to reconnect to the handmade and the authentic-to add a personal spark and a beautiful look to everyday objects and occasions. The art of modern lettering is a point of connection, a way of crafting letters and words into something that delights the eyes and feeds the soul. With unique projects, a gorgeous exposed spine and lay-flat binding, and an Instagram-worthy aesthetic, *By Hand* provides an inspirational jumping-off point for readers who want to incorporate lettering into a slower, more intentional lifestyle. Blending the aspirational and the instructional, *By Hand* brings the beauty of lettering beyond the page, through 30 distinct projects, from watercolor placecards to cozy pillows. Relatable lessons introduce readers to the essentials of lettering, including tools (brush pens, brushes, and paint pens), essential lessons, and developing a personal style, with the warm and welcoming approach of popular Instagram letterer Nicole Miyuki Santo. Encouraging lessons sprinkled throughout the book add a touch of

mindfulness, while bright, airy photography and step-by-step lettered samples make this lovely volume a stunning approach to an on-trend pastime.

Popular Instagram brush lettering artist Kelly Klapstein takes a simple, serene approach to teaching the art of creating beautiful letterforms with easy to use and richly colored brush pens. Kelly begins by guiding you through the tools you'll be using, and the best ways to position pen, hand, and paper. Kelly demonstrates a range of basic strokes along with drill sheets for practice and improvement. In addition to providing detailed instructions and tracing guides for both lowercase and uppercase alphabets, Kelly gives tutorials on freestyle lettering, faux calligraphy, and special effects. Also included are lowercase and uppercase A to Z exemplars for both large and small brush pens. Drill sheets, tracing guides, worksheets, and exemplars are perforated for easy removal.

This volume contains selections from the noted designer's Art Monograms and Letters plus his complete Art Alphabets and Lettering, comprising hundreds of layouts and letter styles ranging from simple to ornate.
