The Effective Manager is a hands-on practical guide to great management at every level. Written by the man behind Manager Tools, the world's number-one business podcast, this book distills the author's 25 years of management training expertise into clear, actionable steps to start taking today.

Instant Wall Street Journal Bestseller! Congratulations, you're a manager! After you pop the champagne, accept the shiny new title, and step into this thrilling next chapter of your career, the truth descends like a fog: you don't really know what you're doing. That's exactly how Julie Zhuo felt when she became a rookie manager at the age of 25. She stared at a long list of logistics--from hiring to firing, from meeting to messaging, from planning to pitching--and faced a thousand questions and uncertainties. How was she supposed to spin teamwork into value? How could she be a good steward of her reports' careers? What was the secret to leading with confidence in new and unexpected situations? Now, having managed dozens of teams spanning tens to hundreds of people, Julie knows the most important lesson of all: great managers are made, not born. If you care enough to be reading this, then you care enough to be a great manager. The Making of a Manager is a modern field guide packed everyday examples and transformative insights, including: * How to tell a great manager from an average manager (illustrations included) * When you should look past an awkward interview and hire someone anyway * How to build trust with your reports through not being a boss * Where to look when you lose faith and lack the answers Whether you're new to the job, a veteran leader, or looking to be promoted, this is the handbook you need to be the kind of manager you wish you had.

THE definitive book for food safety training and certification is Updated to the new 2013 FDA Food Code, the new ServSafe® Manager Book, Sixth Edition, continues to be ideal for courses that cover the basics, condensed courses, continuing education, and even 1-2 day seminars. The updated book will help readers prepare for the ServSafe Food Protection Manager Certification Exam, and more importantly, it will promote adherence to food safety practices on-the-job. is Food safety has never been more important to the restaurant industry and its customers. Based on the 2013 FDA Food Code, the ServSafe Manager Book focuses on the preventative measures to keep food safe. To better reflect the changing needs of a diverse and expanding workforce, food safety topics are presented in a user-friendly, practical way with real-world stories to help readers understand the day-to-day importance of food safety. The streamlined delivery of food safety content will create a learning experience that is activity-based and easily comprehended by a variety of learners. The end result is content that is more focused, leading to stronger food safety practices and a better-trained workforce. is Developed by the industry, for the industry, ServSafe® is a proven way to minimize risk and maximize protection for foodservice owners, employees, and customers. Recognized as the industry standard, ServSafe offers a complete suite of printed and online products and is the most important ingredient to food safety training and certification success. is The ServSafe Manager Book is available packaged with MyServSafeLab™. MyServSafeLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams—resulting in better performance in the course—and provides educators a dynamic set of tools for gauging individual and class progress. is The ServSafe Manager Book 6th Edition is available packaged in a number of ways to suit your specific needs. From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for

navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Packed with 52 discoveries from Gallup’s largest study on the future of work, *It’s the Manager* shows leaders how to adapt their organizations to rapid change, ranging from new workplace demands to managing remote employees, a diverse workforce, the rise of artificial intelligence, gig workers, and attracting – and keeping – today’s best employees. Who is the most important person in your organization to lead your teams through these changes? Gallup research reveals: It’s your managers. While the world’s workplace has been going through extraordinary historical change, the practice of management has been stuck in time for more than 30 years. The new workforce – especially younger generations – wants their work to have deep mission and purpose, and they don’t want old-style command-and-control bosses. They want coaches who inspire them, communicate with them frequently, and develop their strengths. Packed with 52 discoveries from Gallup’s largest study on the future of work, *It’s the Manager* shows leaders how to adapt their organizations to rapid change, ranging from new workplace demands to the challenges of managing remote employees, a diverse workforce, the rise of artificial intelligence, gig workers, and attracting – and keeping – today’s best employees. Who is the most important person in your organization to lead your teams through these changes? Decades of global Gallup research reveal: It’s your managers. They are the ones who make or break your organization’s success. When you build great managers -- ones who can maximize the potential of every team member -- you will see organic revenue and profit growth, and you will deliver to every one of your employees what they most want today: a great job and a great life. This is the future of work. *It’s the Manager* includes exclusive content from Gallup Access -- Gallup’s new workplace platform, chock full of additional content, tools, and solutions for business. Your book comes with a code for the CliftonStrengths assessment, which will reveal users’ Top 5 strengths.

This fine blend of Harvard scholarship and seasoned judgment is really two books in one. The first develops a sophisticated approach to negotiation for executives, attorneys, diplomats -- indeed, for anyone who bargains or studies its challenges. The second offers a new and compelling vision of the successful manager: as a strong, often subtle negotiator, constantly shaping agreements and informal understandings throughout the complex web of relationships in an organization. Effective managers must be able to reach good formal accords such as contracts, out-of-court settlements, and joint venture agreements. Yet they also have to negotiate with others on whom they depend for results, resources, and authority. Whether getting fuller support from the marketing department, hammering out next year's budget, or winning the approval for a new line of business, managers must be adept at advantageously working out and modifying understandings, resolving disputes, and finding mutual gains where interests and perceptions conflict. In such situations, *The Manager as Negotiator* shows how to creatively further the totality of one's interests, including important relationships -- in a way that Richard Walton, Harvard Business School Professor of Organizational Behavior, describes as "sensitive to the nuances of negotiating in organizations" and "relentless and skillful in making systematic sense of the process." This book differs fundamentally from the recent spate of negotiation handbooks that tend to espouse one of two approaches: the competitive ("Get yours and most of theirs, too") or the cooperative ("Everyone can always win"). Transcending such cynical and naive views, the authors develop a comprehensive approach, based on strategies and tactics for productively managing the tension between the cooperation and competition that are both inherent in bargaining. Based on the authors' extensive experience with hundreds of cases, and peppered with a number of wide-ranging examples, *The Manager as Negotiator* will be invaluable to novice and experienced negotiators, public and private managers, academics, and anyone who needs to know the state of the art in this important field.

Provides a guide to help create budgets, manage projects, evaluate technology, and hire and motivate personnel.

Provides insight into the many different areas of expertise that are required in a good manager.

Essential hiring and team-building lessons from the #1 Podcaster in the world *The Effective Hiring Manager* offers an essential guide for managers, team leaders, and HR professionals in organizations large or small. The author’s step-by-step approach makes the strategies easy to implement and help to ensure ongoing success. Hiring effectively is the single greatest long-term contribution to your organization. The only thing worse than having an open position is filling it with the wrong person. *The Effective Hiring Manager* offers a proven process for solving these problems and helping teams and organizations thrive. The fundamental principles of hiring and interviewing
How to create criteria to hire by
How to create excellent interview questions
How to review resumes
How to conduct phone screens
How to structure an interview day
How to conduct each interview
How to capture interview results
How to make an offer
How to decline a candidate
How to onboard candidates
Written by Mark Horstman, co-founder of Manager Tools and an expert in training managers, *The Effective Hiring Manager* is an A to Z handbook to the successful hiring process. The book explores, in helpful detail, what it takes to hire the right person, for the right job, and the right team.

Compliance requirements are here to stay. Prepare your company for the growing challenge. A Wall Street Journal/Harris poll revealed that two thirds of investors express doubts in the ability of corporate boards of directors to provide effective oversight. In the shadow of recent global scandals

involving businesses such as Parmalat and WorldCom, Manager's Guide to Compliance: Best Practices and Case Studies is essential reading for you, whether your organization is a major corporation or a small business. This timely handbook places U.S. and global regulatory information, as well as critical compliance guidance, in an easy-to-access format and helps you make sense of all the complex issues connected with fraud and compliance. "Wide perspectives and best practices combined deliver a punch that will knock your 'SOX' off! The author has blended together a critical mix necessary for effectively handling the requirements of SOX." –Rob Nance, Publisher, AccountingWEB, Inc. "Robust compliance and corporate governance is an absolute necessity in today's business environment. This new book by Anthony Tarantino is an authoritative guide to understanding and implementing compliance and regulatory requirements in the United States and around the world. From SOX to COSO to ERM, this book covers them all." –Martin T. Biegelman, Certified Fraud Examiner, Fellow and Regent Emeritus of the Association of Certified Fraud Examiners, and coauthor of Executive Roadmap to Fraud Prevention and Internal Control: Creating a Culture of Compliance "If compliance wasn't difficult enough, now companies are faced with a barrage of technology vendors claiming to automate compliance as if it were a project. In his new book, Dr. Tarantino paints the reality of the situation: companies need to embrace the broader tenets of governance and use technology to embed governance policies and controls into their daily business processes. Only then can they gain business value from their compliance investments." –Chris Capdevila, CEO and cofounder, LogicalApps
