In Many Lives, Many Masters, a skeptical Dr. Brian Weiss found his life changed profoundly after curing a patient using past-life therapy. Now he takes his research into transcendental messages one breathtaking step further. And he opens up entirely new worlds for all of us everywhere, based on a single, powerful truth...

The noted past-life therapist and author of Many Lives, Many Masters discusses his work with future life progression, drawing on dozens of case histories to explain how the choices that are made in one's present life impact the quality of future lives and revealing the benefits of progression therapy as a healing tool for present-life conditions. 100,000 first printing.

improve the present.

Brian L. Weiss, M.D., psychiatrist and New York Times best-selling author, offers soothing sanity in turbulent times. This short course in meditation gives readers the tools they need for physical, emotional, and spiritual healing, and includes an audio download of a guided meditation. This book was previously published by Hay House as *Meditation: Achieving Inner Peace and Tranquility in Your Life*. In *Directing Our Inner Light*, Brian L. Weiss, M.D., offers an audio download of a guided meditation and explains the techniques he has used to help thousands of patients around the world harness the healing powers of meditation. You'll learn how relaxation, visualization, and regression can be used to release fears in a holistic way, strengthen the immune system, and alleviate chronic pain and illness, among other benefits. The practice of meditation also helps rid the mind of stress, intrusive thoughts, and the pressures of the world, opening you up to what's truly important. The more you meditate, the further you move away from the level of everyday consciousness (encompassing frustration, anxiety, and worry), and the closer you draw to the higher perspective of enlightenment. As you progress along this path, it becomes easier to achieve increasingly higher levels of spirituality.

The benefits of regression therapy extend far beyond the clearing of symptoms. Often, the result is healing at all levels—physical, emotional, and spiritual. *Mirrors of Time*, by Brian Weiss, M.D., allows you to take regression therapy to

the next level. Now you can go back through time by recalling past events that may have led to difficulties in the present. Through the process of remembering, symptoms diminish, and a strong sense of relaxation and well-being often emerges. Even past-life memories can be elicited by these exercises, and regular practice will enhance your physical and emotional health and open up spiritual vistas that can bring new meaning to your life. An audio download is included that goes beyond meditation and visualization exercises—it contains the actual regression techniques Dr. Weiss uses with his patients. By reading *Mirrors of Time* and practicing the exercises on the accompanying audio, you'll find that you'll be filled with more peace, joy, and love—and virtually all aspects of your everyday life will benefit!

and that the doorways to healing and wholeness are inside us.

Eliminating Stress, Finding Inner Peace is an important step on the healing journey. Stress kills—there's no doubt. It eats away at you, affecting your level of happiness, as well as your stomach lining. It raises your blood pressure and directly harms your cardiovascular system. It depresses your immune system and allows chronic illnesses to overwhelm you—causing pain, disability, and even death. Basically, stress prevents you from experiencing life's many pleasures. Stress is a mental state that can cause severe negative emotional and physical consequences. It can be entirely eliminated, or at least greatly lessened, by adjusting our understanding and attitudes, and by learning simple, yet very effective, relaxation techniques. This book, with its accompanying stress-reduction audio download, will help you deeply relax. It will enable you to release the acute and chronic tension you constantly carry in your body and mind. It can also help you remove the blocks and obstacles to your inner peace and contentment, and prevent stress-related illness and disease. To heal yourself in this manner is an act of self-love, because you're taking the time and expending the energy to work on yourself physically and emotionally, thereby bringing more joy into your life. You'll find that regular practice with the audio will produce profound, long-lasting results.

Dr. Brian Weiss, author of *Many Lives, Many Masters* presents a new book to help with the practice of meditation (audio download is also included to help guide people through the process). *Meditation: Achieving Inner Peace and Tranquility in Your Life* includes the techniques Dr. Weiss uses on his patients, many of whom have conquered insomnia, phobias, anxieties, weight issues, and disease.
