Public relations and the media are in a time of major change. The rise of social media, altered media platforms, evolving legislative environments and new models of communication have altered not only the working environments of public relations and the news and entertainment media, but also many aspects of how these industries work together. Media Relations provides a practical and thorough introduction to media work in this changing environment. Based on a solid understanding of media culture and theory, Jane Johnston shows how to steer a path between the technical and human elements of media relations. She drills down into the different types of media, analysing their applications, strengths and weaknesses, and shows how to target your message to the right media outlets, whether national television, community radio, celebrity magazines or influential blogs. This second edition has been revised throughout and includes new case studies, and new chapters on digital and social media, media campaigns, and legal and ethical considerations. 'Media Relations: Issues and Strategies is written in an engaging, easy to understand style. It provides excellent examples and cases of media relations.' - Global Media Journal

Part of a successful series that aims to share and celebrate the history of graffiti, Color Me Graffiti is back with an exciting new adventure into street art. It delivers the freshest styles, characters and illustrations - but this time has a regional slant, with writers being showcased from all corners of Germany, brought together for maximum colouring fun - a must for all urban culture addicts.

Awakening in a bleak landscape, Cass Dollar vaguely recalls enduring something terrible. Having no idea how many days—or weeks—have passed, she slowly realizes the horrifying truth: her daughter, Ruthie, has vanished. And with her, nearly all of civilization. Instead of winding through the once-lush hills, the roads today see only cannibalistic Beaters—people turned hungry for human flesh by a government experiment gone wrong. In a broken, barren California, Cass will undergo a harrowing quest to get Ruthie back. Few people trust an outsider—much less one who bears the telltale scars of a Beater attack—but she finds safety with an enigmatic outlaw, Smoke. And she'll need him more than ever when his ragged band of survivors learn that she and Ruthie have become the most feared, and desired, weapons in a brave new world....

Raising a dragon from infancy to form a special bond, Tian dragon-boy Vetch and his crimson dragonet Avatre arrive in Alta, where he must gain the trust of his countrymen to fulfill his dreams of becoming the leader of the Altan Jousters. Reprint.

Livia Lacey came to the house she inherited in London's Cavendish Square with her two friends, Lady Cornelia Dagenham and Lady Aurelia Farnham, to experience the excitement of city life. With Cornelia now happily married, Livia and Aurelia are on their own. But dashing Prince Alex Prokov, a newcomer to London, seems enchanted by Liv the moment they meet. Disarmed by the prince's determined pursuit of her, his exuberant joy of living, and the desires he awakens in her, Liv agrees to marry him. But while night is a time for passionate embraces, Liv discovers that her irresistible husband can be as autocratic as he is extravagantly generous. While Alex balks at Liv's independent ways, he refuses to explain his own comings and goings. When Liv learns one of Alex's secrets she only loves him more. But when she learns the other secret, will she feel wickedly betrayed?

Provides insight into the strengths and weaknesses of the development model followed by the Suharto regime in Indonesia, which experienced remarkable success for 30 years before being consumed by economic and political crisis.

Recounts and includes commentary on twelve chess matches involving the best players of all time
