It is a good idea to build up a rapport with the NHBC inspector, find out what his hobbies, interests and football team are. Always offer the NHBC a tea or coffee whilst he writes up his inspection report. They work on the road and will appreciate a hot drink in the winter or a cold can (or ice cream!) in the summer. Include the NHBC area manager

anyone involved in the design, checking, implementation and inspection of foundations, ground works and ground floor slabs with the basic knowledge necessary to perform their role with confidence. We will look at relevant sections of the Building Act 1984, Part A of the Building Regulations, British Standards and Codes of Practice, different materials and systems, ground conditions, soil types and characteristics and what to do when building near trees.
