Angeles Times Book Prize (History)
Finalist • Brooklyn Public Library
Literary Prize This “powerful and
disturbing history” exposes how American
governments deliberately imposed racial

Get Free Not Above The Law Richard Macandrew

segregation on metropolitan areas nationwide (New York Times Book Review). Widely heralded as a “masterful” (Washington Post) and “essential” (Slate) history of the modern American metropolis, Richard Rothstein’s *The Color of Law* offers “the most forceful argument ever published on how

Get Free Not Above The Law Richard Macandrew

federal, state, and local governments gave rise to and reinforced neighborhood segregation” (William Julius Wilson).

Exploding the myth of de facto segregation arising from private prejudice or the unintended consequences of economic forces, Rothstein describes how the American government systematically

Get Free Not Above The Law Richard Macandrew

imposed residential segregation: with undisguised racial zoning; public housing that purposefully segregated previously mixed communities; subsidies for builders to create whites-only suburbs; tax exemptions for institutions that enforced segregation; and support for violent resistance to African Americans in white

Get Free Not Above The Law Richard Macandrew

neighborhoods. A groundbreaking, “virtually indispensable” study that has already transformed our understanding of twentieth-century urban history (Chicago Daily Observer), *The Color of Law* forces us to face the obligation to remedy our unconstitutional past.

Get Free Not Above The Law Richard Macandrew

The point of the book is the standard of Law, Esq., where the conjecture is the most repeated standard throughout the book.

Presents a biography of the only United States President to resign, including his early years, the Vietnam War, and his

participation in Watergate.

"The definitive account of Watergate."
—St. Louis Post-Dispatch

"The Final Days" is the last work of Barbara Olson, tragically killed in the terrorist attacks of September 11. This

Get Free Not Above The Law Richard Macandrew

book reveals what she saw as the Clintons' shocking excesses in their final days of office, focusing on their pardons and plans for the future library.

New Shakespeare, long since out-of-print, is now reissued. Each work contains a lengthy and lively introduction, main text,

Get Free Not Above The Law Richard Macandrew

and substantial notes and glossary.

The reign of Richard II and the circumstances of his deposition have long been subject to intense debate. This new interpretation of the politics of the late-fourteenth century offers an in-depth survey of Richard's reign from the

Get Free Not Above The Law Richard Macandrew

perspective of one of the leading nobles who came to oppose him, Thomas Beauchamp, the Appellant Earl of Warwick. This is the first full-length study of one of Richard II's opponents to explore not only why the Earl rebelled against the King, but also why Richard lost his throne. Rather than offering the traditional

Get Free Not Above The Law Richard Macandrew

explanation of a subject grown too mighty, Alison Gundy sets Warwick's rule in the context of the political and constitutional framework of the period. The interplay of local and national events helps to reveal Warwick's motives as a long-serving member of the nobility faced with a king determined to rule in a manner

Get Free Not Above The Law Richard Macandrew

contradictory to contemporary political structures.

On taking office in 2001, Dick Cheney crowned himself the first imperial vice president in the nation's history, transforming a traditionally inconsequential office into a de facto

Get Free Not Above The Law Richard Macandrew

fourth branch of government. Taking a less journalistic and personal approach to Cheney than previous biographers, this critical new biography shows exactly how Cheney engineered his arrogation of vast executive powers—and the dire consequences his power grab has had and will long continue to have for the office of

Get Free Not Above The Law Richard Macandrew

the vice presidency, the balance of powers, the Constitution, geopolitics, and America's security, strength, and prestige. Taking advantage of the administration's global war on terrorism, a president inexperienced in matters of war and peace, and a Republican Congress that rated party power above institutional prerogatives,

Get Free Not Above The Law Richard Macandrew

Vice President Cheney moved with astonishing speed and energy to assume a dominant role on the national and international stage as the effective president-in-proxy of the United States. Cheney asserted that all constitutional checks and balances and all individual liberties under the Bill of Rights are

Get Free Not Above The Law Richard Macandrew

subservient to the president's powers as commander-in-chief in confronting international terrorism. Although former administrations had made power grabs in the past in times of national crisis, no president-and certainly no vice president-has ever exerted such sweeping claims of executive power on so many fronts in

Get Free Not Above The Law Richard Macandrew

violation of the bedrock principles of the
Constitution.

In this updated edition of *King Richard II*,
Claire McEachern provides a fresh
introductory section in which she
discusses the most important productions
and scholarly criticism of recent years.

Get Free Not Above The Law Richard Macandrew

Paying particular attention to the focus on religion in contemporary interpretations of the play, McEachern also analyses the increasing number of performances on stage and screen. Andrew Gurr's acclaimed introduction guides the reader through the play's action and politics, providing a thorough and engaging

Get Free Not Above The Law Richard Macandrew

grounding in its structure, language and staging. An updated reading list completes the edition.
