Numicon shapes can be arranged on the grid provided to form different numbers using every combination between 1-10. A helpful learning aid for children in Early Years and KS1.

What are Numicon shapes? Numicon is a series of flat shapes which have

Online Library Numicon Teaching Guide Printable

holes in that represent the numbers 1 to 10. Developed by the Oxford Printing Press, many primary schools use Numicon and shapes to help children understand numbers in a more concrete way.

Primary School Resources
Intervention description. Numicon is a
maths programme for children from
Foundation Stage to KS2. Central to
the programme are kits containing

Online Library Numicon Teaching Guide Printable

manipulable resources intended to help children understand mathematical concepts through concrete objects, such as counting pegs, shapes, number cards and spinners. Each kit comes with a teaching guide, and at-home kits providing homework activities can also be purchased.
