Retells the classic story of young Oliver who escapes the workhouse only to fall into the hands of Fagin, the master pickpocket, as a graphic novel with study guide.

A simplified retelling of the adventures of an orphan boy who lives in the squalid surroundings of a nineteenth-century English workhouse until he becomes involved with a gang of thieves.

The story of Oliver Twist - orphaned, and set upon by evil and adversity from his first breath - shocked readers when it was published. After running away from the workhouse and pompous beadle Mr Bumble, Oliver finds himself lured into a den of thieves peopled by vivid and memorable characters - the Artful Dodger, vicious burglar Bill Sikes, his dog Bull's Eye, and prostitute Nancy, all watched over by cunning master-thief Fagin. Combining elements of Gothic Romance, the Newgate Novel and popular melodrama, Dickens created an entirely new kind of fiction, scathing in its indictment of a cruel society, and pervaded by an unforgettable sense of threat and mystery.This Penguin Classics edition of Oliver Twist is the first critical edition to faithfully reproduce the text as its earliest readers would have encountered it from its serialisation in Bentley's Miscellany, and includes an introduction by Philip Horne, a glossary of Victorian thieves' slang, a chronology of Dickens's life, a map of contemporary London and all of George Cruikshank's original illustrations.For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. HarperCollins is proud to present its new range of best-loved, essential classics. 'Oliver Twist has asked for more!' Fleeing the workhouse, Oliver finds himself taken under the wing of the Artful Dodger and caught up with a group of pickpockets in London. As he tries to free himself from their clutches he becomes immersed in the seedy underbelly of the Capital, amongst criminals, prostitutes and the homeless. Dickens scathing attack on the cruelty of Victorian Society features some of his most memorable and enduring characters, including innocent Oliver himself, the Artful Dodger, Fagin, Bill Sikes and Nancy.

Oliver Twist is an orphan who faces many hardships and suffers from cruelties of people around him. However, despite all the hurdles, he survives due to the kindness of a few individuals in his life. This heart-warming tale is a powerful social commentary that shows the ugly face of a society who mistreats and exploits the weak.

One of the finest novels by iconic British author Charles Dickens, this Victorian tale follows the good-natured orphan Pip as he makes his way through life. As a boy, Pip crosses paths with a convict named Magwitch, a man who will heavily influence Pip's adulthood. Meanwhile, the earnest young man falls for the beautiful Estella, the adoptive daughter of the affluent and eccentric Miss Havisham. Widely considered to be Dicken's last great book, the story is steeped in romance and features the writer's familiar themes of crime, punishment, and societal struggle.
